

IBDP Chemistry Group 4

Chemistry at ICS London is taught over 4 hours a week and is offered at SL and HL. Most of the content delivery is completed in the first year with the Internal Assessment being scheduled deliberately late in the programme to ensure students have the most time possible to develop the skills to be highly successful in the IA completion.

Practical “labs” are scheduled across the programme to explore the ways in which experimentalists work in the field.

	Autumn Term	Spring Term	Summer Term
DP1 Year 12	Structure 1: Reactivity 2.1:	Structure 2: Structure 3:	Reactivity 1:
	Structure 1:	Structure 2:	
DP2 Year 13	Reactivity 2	Reactivity 2	Final revision and examinations.
	Reactivity 2 Revision and doing Mock Exams	Reactivity 3
