School District Five of Lexington & Richland Counties

K-5 Proficiency Expectations
2025-2026

**The Success Criteria are what students are expected to proficiently demonstrate by the end of the specified quarter and throughout the school year to ensure they are meeting grade level expectations based upon South Carolina State Standards in the identified content area. As a parent/guardian, the Success Criteria will help guide you as you work with your child. As partners in your child's education, your school and child's teacher are always willing to assist you and your child in order to ensure success.*
