## 2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

|   |   |
|---|---|
| <b>Admission Requirements for the University of California (UC)</b>     | Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .  |
| <b>Admission Requirements for the California State University (CSU)</b> | Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> . |

### 2025-26 School Description and Mission Statement

Mission Statement:  
Learn. Lead. Serve.

Vision Statement

Beckman High School is a dynamic learning community of dedicated students, educators, staff, parents, and community partners, who are dedicated to achieving excellence in education through a focus on learning, leadership, and service. Our programs that focus on the Four A's (Academics, Activities, Arts, and Athletics) are dedicated to developing self-motivated,

## 2025-26 School Description and Mission Statement

analytical, creative, and engaged members of society. Beckman High School strives for educational excellence and continuous improvement through researched-based instruction, current technology, professional development, and reflection on data. Beckman High School is committed to maintaining high standards and academic excellence for all students.

**Learn:** Beckman staff continues to challenge and engage all students and provides the curriculum, instruction, assessment, and support to succeed. The school is staffed by experienced and expertly-prepared teachers who engage in continuous professional development individually and collaborate as a learning community on campus. Beckman High School holds high expectations for all students, and curricula are focused on rigorous content and meaningful application for post-secondary goals. Beckman High School practices widespread and meaningful inclusion of all students at all levels. Parents and the community are actively engaged in student learning and success through supporting high-quality instruction, curriculum, and activities.

**Lead:** Beckman High School is focused on developing excellent school leaders among the students. Beckman prioritizes leadership for all students, whether it is through academics, arts, activities, or athletics. Our Four A Philosophy is based on the belief that all students have the ability and responsibility to be leaders on campus and in the local and global community now and into the future. In addition, Beckman parents and the local community are a vital part of our focus on leadership. School staff are consistently supported in their efforts to improve in their profession and leadership through professional development and collaboration. Parents lead through involvement in parent groups, student support groups, and at home. Community businesses are actively involved in supporting student activities and fundraisers, and members of the community come to teach, inform, and inspire students through real-world applications for learning.

**Serve:** Beckman students take an active role in the school and greater community as part of our mission to develop engaged local and global citizens. The positive involvement and support of staff, parents, and community challenges students to develop their potential as responsible, engaged, and empathetic members of society and become responsible and respectful citizens. Through current and engaging curricula, school activities and clubs, community partnerships, and future-oriented counseling, students, and staff join in a mindset of service. Kindness, empathy, and application of learning for the betterment of the community at large are at the center of what it means to be a Beckman Patriot.

## About this School

### 2024-25 Student Enrollment by Grade Level

| Grade Level             | Number of Students |
|-------------------------|--------------------|
| Grade 9                 | 706                |
| Grade 10                | 689                |
| Grade 11                | 709                |
| Grade 12                | 672                |
| <b>Total Enrollment</b> | <b>2,776</b>       |

## 2024-25 Student Enrollment by Student Group

| Student Group                       | Percent of Total Enrollment |
|-------------------------------------|-----------------------------|
| Female                              | 49.1                        |
| Male                                | 50.7                        |
| Non-Binary                          | 0.2                         |
| American Indian or Alaska Native    | 0.1                         |
| Asian                               | 41.2                        |
| Black or African American           | 2.7                         |
| Filipino                            | 3.5                         |
| Hispanic or Latino                  | 27.9                        |
| Native Hawaiian or Pacific Islander | 0.3                         |
| Two or More Races                   | 5.4                         |
| White                               | 18.4                        |
| English Learners                    | 8.2                         |
| Foster Youth                        | 0                           |
| Homeless                            | 1                           |
| Socioeconomically Disadvantaged     | 44.6                        |
| Students with Disabilities          | 11.1                        |

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment   | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 97            | 91.74          | 705.9           | 84.01            | 234405.2     | 84            |
| <b>Intern Credential Holders Properly Assigned</b>   | 0             | 0              | 0               | 0                | 4853         | 1.74          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 3.8           | 3.67           | 12.7            | 1.51             | 12001.5      | 4.3           |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 1             | 0.95           | 14.7            | 1.75             | 11953.1      | 4.28          |
| <b>Unknown/Incomplete/NA</b>   | 3.8           | 3.65           | 106.8           | 12.72            | 15831.9      | 5.67          |
| <b>Total Teaching Positions</b>  | 105.8         | 100            | 840.2           | 100              | 279044.8     | 100           |

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Teacher Preparation and Placement

| Authorization/Assignment   | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 97.4          | 92.67          | 735.3           | 87.93            | 231142.4     | 83.24         |
| <b>Intern Credential Holders Properly Assigned</b>   | 0             | 0              | 1.7             | 0.21             | 5566.4       | 2             |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 0.2           | 0.19           | 2.6             | 0.32             | 14938.3      | 5.38          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 3.9           | 3.8            | 19.9            | 2.39             | 11746.9      | 4.23          |
| <b>Unknown/Incomplete/NA</b>   | 3.5           | 3.34           | 76.4            | 9.15             | 14303.8      | 5.15          |
| <b>Total Teaching Positions</b>  | 105.1         | 100            | 836.3           | 100              | 277698       | 100           |

Note: The data in this table is based on FTE status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Teacher Preparation and Placement

| Authorization/Assignment   | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 89.1          | 86.26          | 706.2           | 85.24            | 230039.4     | 100           |
| <b>Intern Credential Holders Properly Assigned</b>   | 0             | 0              | 2.1             | 0.26             | 6213.8       | 2.23          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 3.9           | 3.84           | 13.6            | 1.65             | 16855        | 6.04          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 1.4           | 1.37           | 15.9            | 1.92             | 12112.8      | 4.34          |
| <b>Unknown/Incomplete/NA</b>   | 8.8           | 8.52           | 90.4            | 10.92            | 13705.8      | 4.91          |
| <b>Total Teaching Positions</b>  | 103.3         | 100            | 828.5           | 100              | 278927.1     | 100           |

Note: The data in this table is based on FTE status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment                                     | 2021-22 | 2022-23 | 2023-24 |
|--|---------|---------|---------|
| <b>Permits and Waivers</b>                                   | 0.50    | 0       | 0       |
| <b>Misassignments</b>  | 3.30    | 0.2     | 3.9     |
| <b>Vacant Positions</b>                                      | 0.00    | 0       | 0       |
| <b>Total Teachers Without Credentials and Misassignments</b> | 3.80    | 0.2     | 3.9     |

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator   | 2021-22 | 2022-23 | 2023-24 |
|---|---------|---------|---------|
| <b>Credentialed Teachers Authorized on a Permit or Waiver</b> | 0.00    | 0       | 0.4     |
| <b>Local Assignment Options</b>                               | 1.00    | 3.9     | 1       |
| <b>Total Out-of-Field Teachers</b>                            | 1.00    | 3.9     | 1.4     |

## Class Assignments

| Indicator  | 2021-22 | 2022-23 | 2023-24 |
|--|---------|---------|---------|
| <b>Misassignments for English Learners</b><br>(a percentage of all the classes with English learners taught by teachers that are misassigned)              | 2.3     | 2.4     | 7.3     |
| <b>No credential, permit or authorization to teach</b><br>(a percentage of all the classes taught by teachers with no record of an authorization to teach) | 3.3     | 5.3     | 6       |

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Tustin Unified School District sets a high priority on ensuring that high-quality, standards-based textbooks and materials are available for every student to support instructional programs in the schools. Prior to adoption, the Tustin Unified School District conducts a thorough review of its curriculum to ensure that it is aligned with the California Standards for the Common Core.

District K-8 textbooks in the subjects of English language arts, mathematics, history/social science, health, foreign language, visual and performing arts, and science have been adopted from those approved by the State Board of Education. The Tustin Unified School District Board of Education has adopted district textbooks in the subjects listed below. K-12 textbooks for mathematics, history/social science, science, English language arts (including reading), and foreign language are aligned with state-adopted content standards and state or national frameworks. All TUSD students, including all English learners, have textbooks\* and instructional materials, including science laboratory equipment at the 9-12 level, that are current and in good condition in accordance with Education Code requirements. All textbooks\* and instructional materials are provided in sufficient quantities for each student for use in class and to access from home.

On September 29, 2025, the Tustin Unified School District Board of Education verified by resolution that each student at this school has a textbook and/or instructional materials for each core subject area that are aligned to the content and cycles of the curriculum framework adopted by the State of California.

\*textbooks may be digital or hard copy depending on the textbook and adoption cycle

## School Facility Conditions and Planned Improvements

The Tustin Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction (OPSC). The results of this survey are available at the school office, the District office, or on the Internet at <https://tinyurl.com/TUSD-Facility-Inspection-Tool>. The District maintenance staff ensures that the repairs necessary to keep the

## School Facility Conditions and Planned Improvements

school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Beckman 40-acre campus features state-of-the-art facilities. All students have access to computer technology and wi-fi is available throughout the campus. Video streaming, data, WiFi, and audio transmissions are accessible in all classrooms. A 550 seat performing arts center, an Olympic-sized swimming pool, turf athletic fields, and an all-weather track are other resources enjoyed by the school community. The school has a college/career counseling center, library, television studio, and eight science laboratories. In addition, every classroom has computers for teacher and student use. To accommodate growth, ten relocatable classrooms were added to the campus in 2007-2008 and an extension to the science/math building adding eight classrooms and four science labs was completed in January 2010. Construction on an addition to the humanities wing was completed in 2015. Through funding from Beckman's Ed Fund, the library had been renovated to include seating and study areas conducive to interactive learning and collaboration. In 2013, the district upgraded all learning areas to include enhanced teaching stations including audio amplification, WiFi, interactive projection systems, and upgraded computers. Instructional materials are current and grounded in research-based practices. In November of 2016, a brand new 240,000-square-foot artificial turf field was completed for student use. In May of 2017, an additional 80,000 square foot artificial turf field was completed and the outdoor track was resurfaced. In December of 2018 a 10,000 square foot patch of artificial turf was added to the student quad along with 20 trees and umbrellas to create a more comfortable and welcoming student environment. In 2023, our new CTE building was opened with a Robotics, Engineering, and Graphic Design space. In August of 2024, an auxiliary gym with a new weightroom and additional bathroom facilities was opened for student use.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

| Subject  | School 2023-24 | School 2024-25 | District 2023-24 | District 2024-25 | State 2023-24 | State 2024-25 |
|--|----------------|----------------|------------------|------------------|---------------|---------------|
| <b>English Language Arts/Literacy</b><br>(grades 3-8 and 11) | 85             | 82             | 61               | 62               | 47            | 48            |
| <b>Mathematics</b><br>(grades 3-8 and 11)                    | 60             | 61             | 52               | 53               | 35            | 37            |

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                         | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| Subject   | School 2023-24 | School 2024-25 | District 2023-24 | District 2024-25 | State 2023-24 | State 2024-25 |
|---|----------------|----------------|------------------|------------------|---------------|---------------|
| <b>Science</b><br>(grades 5, 8 and high school) | 62.56          | 63.24          | 47.17            | 47.64            | 30.73         | 32.52         |

## 2024-25 CAASPP Test Results in Science by Student Group

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

| Student Group  | Total Enrollment | Number Tested | Percent Tested | Percent Not Tested | Percent Met or Exceeded |
|--|------------------|---------------|----------------|--------------------|-------------------------|
| <b>All Students</b>                                  | 1381             | 1329          | 96.23          | 3.77               | 65.16                   |

## 2024-25 Career Technical Education Programs

Tustin Unified School District's CTE Pathways offer an exciting opportunity to blend core academic knowledge with hands-on technical and occupational skills, setting students on a path to a fulfilling and lucrative career. The combination of engaging academics, Career Technical Education (CTE), early college credit opportunities, and a variety of real world experiences support all students in becoming college and career ready. Tustin Unified has an extensive list of CTE committee members including staff and students from our high school, TUSD district-level administrators, parents, and representatives from marketing, HR, engineering, environmental, health, manufacturing, graphic design, film and business development industries. For more information about Tustin Unified's college and career readiness programs please visit:

<https://www.tustin.k12.ca.us/departments/administrative-services/college-and-career-readiness/career-technical-education>

Beckman High School offers CTE Pathways in Applied Medical/Athletic Training (Human Body Systems, Sports Medicine ROP, and Kinesiology/Athletic Training IVC ), Computer Science (AP), Engineering(Introduction to Engineering, Principles of Engineering, and Design & Development), Film & Video Production (Dramatic Production, Digital Filmmaking, and Independent Film Products), Graphic Design (Graphic Arts 1, 2, 3 and AP Studio Art), and Visual Imagery (Photography and Design, Visual Imagery, and AP Studio Art). Beckman High School has maintained its ROP offerings over the past ten years. We partner with Coastline ROP in employing a full-time career specialist who is available to students for career and college guidance. Through the career center, students can enroll in a variety of ROP classes that are offered at other local high schools. In addition, Beckman students can gain career experience by enrolling in ROP classes which provide internships at local businesses such as Allergan, Fletcher Jones Motorcars, The St. Regis, Wells Fargo Bank, and Mission Hospital. By successfully completing an

## 2024-25 Career Technical Education Programs

ROP class, students can earn five or ten elective credits, depending on the course.

## 2024-25 Career Technical Education (CTE) Participation

| Measure   | CTE Program Participation |
|---|---------------------------|
| Number of Pupils Participating in CTE   | 1201                      |
| Percent of Pupils that Complete a CTE Program and Earn a High School Diploma  | 22.8                      |
| Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education | 49                        |

## 2024-25 Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure   | Percent |
|---|---------|
| Pupils Enrolled in Courses Required for UC/CSU Admission          | 96.96   |
| Graduates Who Completed All Courses Required for UC/CSU Admission | 73.58   |

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1: Aerobic Capacity | Component 2: Abdominal Strength and Endurance | Component 3: Trunk Extensor and Strength and Flexibility | Component 4: Upper Body Strength and Endurance | Component 5: Flexibility |
|-------------|-------------------------------|---|--|--|--------------------------|
| Grade 9     | 96.2%                         | 96.7%   | 96.5%  | 96.4%  | 96.9%                    |

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2025-26 Opportunities for Parental Involvement

Tustin Unified School District values our parents and community. We believe that parental engagement is integral to student success and one of our goals is to continuously increase parental involvement in our schools. In TUSD, parents receive regular emails from a Parent Square listserv that provides information on district and school-wide updates and events, available resources, training, opportunities, etc.

In addition to district-wide efforts, our school believes that parent involvement drives the daily learning for all students. Parents and credentialed teachers work together to review the core program, academic support, and supplemental learning opportunities available to students. Annually, parents have the opportunity to meet with their child's teacher or counselor (HS) and work together in the development of the student's educational plan and goal setting at the beginning of each school year. Additionally, parents always have the opportunity to communicate with the administrative team, teachers, counselors, and other school support staff when the need arises.

All parents have the opportunity to be on our School Site Council or to attend the meetings. School Site Council members are elected for a two-year term and meet a minimum of four times per year. The function of the School Site Council is two-fold: to provide feedback and advice to the School Plan for Student Achievement, as well as suggestions and ideas for improving the school's educational programs; and to uphold the mission of the school and contribute to the success of the school. Parents of EL students have access to our TUSD Office of Language Acquisition, site-based ELAC, and district DELAC committees to learn about the EL Program and the comprehensive support available to EL families. Parents of ELs are able to provide input into decisions related to English language acquisition at the ELAC and DELAC meetings.

For Special Education students, there is ongoing parental collaboration and support provided to the parents to ensure that their student's needs are met as part of the Individualized Education Program. Parents have access to special education support providers as well as special education department administration.

Beckman seeks to include all members of its community through inclusive parent organizations. Beckman parents model respect for other cultures through their involvement in PTO, Super Boosters, 36 booster groups, The Beckman Ed Fund, School Site Council, and English Language Advisory Committee (ELAC). Chinese and Korean Parent Associations are organized under the umbrella of PTO to encourage parent participation for those new to the country or those more comfortable in a language other than English. The District offers language translation services in Spanish, Korean, and Vietnamese. At least ten different languages are spoken by the faculty and staff. The school's Community Liaison serves to connect Spanish speaking parents to the school community and assist families with enrollment and identifying appropriate support. The Community Liaison also works closely with mental health services to provide support for parents seeking outside assistance.

Beckman offers opportunities for parents to meet with teachers and counselors to maximize each student's success. The school offers a Back to School Night, two Report Card Nights, 8th Grade Parent Night, Financial Aid Night, Out of State College Night, Early College Parent Night, four counselor coffees, 9th and 10th Grade Parent Night, and 11th and 12th Grade Parent Night. Beckman also hosts and/or participates in four ELAC meetings each academic year. In addition, the Beckman Education Fund hosts a series of four nights presented by Beckman's counselors, "B" Prepared for College, each night dedicated to a specific grade level. Every third year, Beckman hosts the district-wide College/Career Night. Parents have access to their student's progress using Beckman's Parent Portal through the school's Aeries Data System. In addition, every student at the school has an account with Naviance Succeed, a web-based program for students to research colleges, plan careers, and organize college applications. Parents can monitor their student's college/career readiness and progress in Naviance. There is an updated Beckman website and a digital marquee. Beckman uses Parent Square to disseminate various updates to families via email and phone messages and a monthly electronic newsletter with current events, photos of school activities, and links to various organizations on campus in addition to a counseling-specific newsletter that goes out monthly as well. We also utilize social media (Twitter, Instagram, Facebook) to increase communication that currently has over 1000 combined followers.

For more information on how to become involved at the school, please contact Donnie Rafter at (714) 734-2900.

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

| Indicator              | School 2022-23 | School 2023-24 | School 2024-25 | District 2022-23 | District 2023-24 | District 2024-25 | State 2022-23 | State 2023-24 | State 2024-25 |
|------------------------|----------------|----------------|----------------|------------------|------------------|------------------|---------------|---------------|---------------|
| <b>Dropout Rate</b>    | 0.9            | 0.4            | 0.6            | 1.3              | 1.1              | 1                | 8.2           | 8.9           | 8             |
| <b>Graduation Rate</b> | 96.4           | 95.4           | 96.4           | 95.7             | 95.5             | 96               | 86.2          | 86.4          | 87.5          |

#### 2024-25 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2023-24 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at [www.cde.ca.gov/ds/ad/acgrinfo.asp](http://www.cde.ca.gov/ds/ad/acgrinfo.asp).

| Student Group  | Number of Students in Cohort | Number of Cohort Graduates | Cohort Graduation Rate |
|--|------------------------------|----------------------------|------------------------|
| <b>All Students</b>                                  | 674                          | 650                        | 96.4                   |
| <b>Female</b>  | 332                          | 323                        | 97.3                   |
| <b>Male</b>  | 337                          | 322                        | 95.5                   |
| <b>Non-Binary</b>                                    | --                           | --                         | --                     |
| <b>American Indian or Alaska Native</b>              | --                           | --                         | --                     |

## 2025-26 School Safety Plan

Date Last Reviewed by School Site Council (SSC): 9/23/2025  
 Date Updated and Approved by SSC: 10/20/2025  
 Date Discussed by Staff: 08/11/2025

Our School Safety Plan includes comprehensive measures designed to promote a secure and orderly learning environment. Key components of the plan include child abuse reporting procedures; routine and emergency disaster procedures; suspension, expulsion, and mandatory expulsion recommendations; procedures for notifying teachers of dangerous pupils; discrimination and harassment policies; provisions for any school-wide dress code; procedures for safe ingress and egress; standards for maintaining a safe and orderly environment; school discipline rules and dress code expectations; hate crime reporting protocols; and clearly defined school safety goals and objectives, which include an Instructional Continuity Plan.

At Beckman High School, we also maintain a School Safety Committee that annually reviews and updates the School Safety Plan and coordinates annual safety drills for all students and staff. The committee includes administrators, certificated and classified staff, and may also include parent or student representatives. During the 2023–24 school year, all TUSD schools participated in Stop the Bleed training, which prepares school sites to respond to a bleeding emergency before professional help arrives. In the 2024–25 school year, we conducted a review of Stop the Bleed procedures and completed annual health and safety trainings. Staff also received Narcan training, which teaches participants to recognize the signs of an opioid overdose and administer the reversal medication Narcan.

Additionally, in collaboration with our Student Services Department, we continuously practice emergency response procedures for fire, earthquake, lockdown, and shelter-in-place scenarios. These drills ensure that district-wide expectations for school safety are being met and safety teams are familiar with their roles and responsibilities and with the location and use of emergency supplies and equipment.

A Tustin/Irvine Police Department/OC Sheriff School Resource Officer works in partnership with our school and Tustin Unified School District to provide a safe school campus. School Resource Officers are sworn Police Officers assigned to school sites to act as a resource for students, parents and school administration. Through enforcement of the law and education on many topics, the School Resource Officer is a direct link between the Tustin/Irvine youth community and the local Police Department

## 2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 29                 | 17                                   | 41                                    | 41                                  |
| Mathematics           | 29                 | 17                                   | 36                                    | 40                                  |
| Science               | 32                 | 3                                    | 26                                    | 43                                  |
| Social Science        | 32                 | 9                                    | 23                                    | 48                                  |

## 2023-24 Secondary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 25                 | 37                                   | 29                                    | 46                                  |

## 2024-25 Secondary Average Class Size and Class Size Distribution

This table displays the 2024-25 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 26                 | 37                                   | 28                                    | 49                                  |
| Mathematics           | 29                 | 16                                   | 34                                    | 41                                  |
| Science               | 31                 | 9                                    | 17                                    | 45                                  |
| Social Science        | 31                 | 7                                    | 36                                    | 36                                  |

## 2024-25 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio  |
|------------------------------|--------|
| Pupils to Academic Counselor | 589.78 |

## 2024-25 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The “Other” category is for all other student support services staff positions not listed.

| Title  | Number of FTE Assigned to School |
|--|----------------------------------|
| <b>Counselor (Academic, Social/Behavioral or Career Development)</b> | 4.6                              |
| <b>Library Media Teacher (Librarian)</b>                             |                                  |
| <b>Library Media Services Staff (Paraprofessional)</b>               |                                  |
| <b>Psychologist</b>  | 3                                |
| <b>Social Worker</b>   |                                  |
| <b>Nurse</b>   |                                  |
| <b>Speech/Language/Hearing Specialist</b>                            |                                  |
| <b>Resource Specialist (non-teaching)</b>                            |                                  |
| <b>Other</b>   | 2.8                              |

## Fiscal Year 2023-24 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2023-24 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level  | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|--|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| <b>School Site</b>                                   | \$15,467                     | \$5,060                             | \$10,406                              | \$115,000              |
| <b>District</b>                                      | N/A                          | N/A                                 | \$10,691                              | \$111,861              |
| <b>Percent Difference - School Site and District</b> | N/A                          | N/A                                 | -2.7                                  | 2.8                    |
| <b>State</b>   | N/A                          | N/A                                 | \$11,146                              | \$100,333              |
| <b>Percent Difference - School Site and State</b>    | N/A                          | N/A                                 | -6.9                                  | 13.6                   |

## Fiscal Year 2024-25 Types of Services Funded

In addition to base per pupil funding, our school receives supplemental one time and ongoing funds to support all students and student groups in academic achievement. The Tustin Public Schools Foundation and site PTO/PTA also supports the school with donations and financial contributions throughout the year to support school-wide programs and events for students.

The school’s Single Plan for Student Achievement (SPSA) identifies student needs and addresses specifically how these categorical funds will support student learning and achievement through a Multi-Tiered System of Support. The allocated funds are used to provide tiered and targeted supports or interventions for unduplicated students in the areas of academics, behavior and social-emotional learning, absenteeism, professional development, instructional materials, additional personnel to support all students in accessing academic standards, and technology resources.

Students are assessed with local assessments three times per year, and more often if at-risk and being monitored for progress. Within the MTSS model, students scoring two or more grade levels below their current grade level on any standard were eligible for intervention and targeted academic support. Our intervention students are provided class-based or small-group intervention sessions which target their specific performance level, focusing on ELA or Math standards. In addition, using

## Fiscal Year 2024-25 Types of Services Funded

ESSER and categorical instructional funds, our students and their teachers have a variety of supplemental print and online intervention curriculum options to choose from.

Some of these district and school-wide programs include Lexia, Freckle, Lexia English, Gizmos, Quizziz, Discovery Education and Formative.

Please refer to our district LCAP or School Plan for Student Achievement for a more detailed list of goals and actions that the school currently funds.

Additionally, Prop 28 funds have been allocated to expand student access to the Arts through the purchase of new equipment for Vocal, Music and Theater programs, as well as, to provide additional staff advisors to assist with instrument instruction/coaching.

## Fiscal Year 2023-24 Teacher and Administrative Salaries

This table displays the 2023-24 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Category   | District Amount | State Average for Districts in Same Category |
|--|-----------------|--|
| <b>Beginning Teacher Salary</b>                      | \$62,965        | \$60,863                                     |
| <b>Mid-Range Teacher Salary</b>                      | \$101,573       | \$93,575                                     |
| <b>Highest Teacher Salary</b>                        | \$135,199       | \$125,548                                    |
| <b>Average Principal Salary (Elementary)</b>         | \$167,692       | \$157,645                                    |
| <b>Average Principal Salary (Middle)</b>             | \$177,563       | \$165,341                                    |
| <b>Average Principal Salary (High)</b>               | \$196,379       | \$182,580                                    |
| <b>Superintendent Salary</b>                         | \$402,443       | \$357,064                                    |
| <b>Percent of Budget for Teacher Salaries</b>        | 32.36%          | 30.36%                                       |
| <b>Percent of Budget for Administrative Salaries</b> | 4.8%            | 4.88%  |

## 2024-25 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

|  |      |
|--|------|
| <b>Percent of Students in AP Courses</b> | 45.7 |
|--|------|

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

| Subject  | Number of AP Courses Offered |
|--|------------------------------|
| Computer Science   | 0                            |
| English  | 6                            |

## Professional Development

Tustin Unified School District provides dedicated time for professional development for all staff. The comprehensive training takes place before the school year starts, providing teachers with current best practices and opportunities for collaboration around instruction/curriculum for the upcoming year with site and district colleagues. An all district professional development day is also provided on a non-student day in the fall, focusing on any current instructional or organizational professional learning needs at the time.

Schools also provide professional development opportunities based on school-wide student needs driven by an analysis of student data and funded by site categorical or supplemental allocations. Staff development opportunities can take place before, during, or after school and by release time throughout the school year. All new teachers engage in the Induction Program through OCDE, which provides new teachers with ongoing support through the first two years of teaching.

As a school, we focus on providing ongoing professional development opportunities that are aligned to our student needs. Beckman teachers regularly share teaching ideas, materials, and strategies within and among departments. Late starts every Wednesday provide increased opportunities for teacher collaboration. While cross-curricular collaboration is a focus of the leadership team, unstructured school-wide collaboration occurs on a daily basis. Collaboration is a key component of the school's vision and includes teachers' use of essential standards, common assessments and/or benchmarks across the curriculum.

New teachers are supported through the TUSD two-year induction program that supports standard credentialing programs and also provides new teachers access to a mentor teacher at their site. Support Providers regularly meet with participating teachers to observe their teaching techniques, review the latest strategies for instruction in their subject area, assist beginning teachers in the effective implementation of differentiated lesson plans and provide valuable professional feedback.

The focus for the 2025-26 school year for site staff development has been in continued support of Rigorous Curriculum Design (RCD/Tier 1) and training for teachers geared toward creating and reviewing Common Assessments. A majority of the RCD/Tier 1 focus has been on the 4 core areas of Math, Science, English, and Social Science while the strategies and training pertaining to Common Assessments have been site-driven. Additionally, our staff is in the process of being trained on various Artificial Intelligence tools that can be used at the teacher or student level.

This table displays the number of school days dedicated to staff development and continuous improvement.
