

LUCK OF THE MINER

EDHS Miner Foundation Annual Fundraising Dinner

January 22, 2026

Greetings:

The Miner Foundation is currently seeking donations for the 2026 Luck of the Miner Dinner Fundraiser and Auction. Our Spring Auction is directly benefiting El Diamante High School students with thousands in scholarships awarded annually and contributions to school improvements and support.

Join us in supporting this worthy cause on Saturday, March 14th at 6:00pm, held at Visalia Country Club 625 Ranch St., Visalia.

We would like you to consider contributing to our dessert or live auction. Help us create a fun shopping experience for our guests by donating auction items, desserts, products, or services. Miner Foundation appreciates your generosity.

It is because of supportive community members like you that the Miner Foundation can continue to help El Diamante High School and its students in their continued Academic Excellence and Campus Enhancements.

Thank you for your time and consideration.

Sincerely,

Saba Toor

Miner Foundation President
