The Extended Excursions experience offers campers additional fun for the afternoon. With Extended Excursions, campers will venture together to explore local hotspots Columbus has to offer.

Campers may voyage to the Coca-Cola Space Museum or visit wildlife at Oxbow Meadows. Campers may also be supporting our communities with conservation projects at Columbus Gardens or volunteering to entertain the Thrive Senior Center community, culminating in an ice cream delight at Jeremiah's. At the end of the week, students will be taking a trip to the arcade at Stars and Strikes or go Bowling together at Bowlero.

Each week offers something different. Campers that are registered for the extended excursions will need to bring their own boxed lunch. Price of admission for any of the above venues is included in the cost of camp.
