Attendance

Regular attendance is one of the most important factors in long term academic success. When your student is here every day, we are able to build better relationships with them, we can help them understand academic concepts that build on one another, and we can better identify areas of concern in order to provide your student with the support that they need to be successful.

Regular attendance includes *arriving at school on time, coming to school every day, and staying in school for the entire day*. You can help by ensuring that your student only misses school for excused reasons. Absences from school will be excused for *health reasons, attendance at funeral services for a family member, appearance in court or observation of a religious holiday or ceremony*. When a student misses 18 or more days of school for any reason, they are considered to be chronically absent.

When your student does need to be absent, please be sure to notify the school as soon as possible. You can report an absence by calling the twenty-four hour attendance line (916-434-5210) or by using the school website to send an email to our attendance clerk. Please be sure to indicate your student's full name, dates of absences, and the specific reason for the absence. We also encourage you to notify your student's teacher if possible.

Appointments

Please help us support your students by doing your best to minimize appointments during the school day. In the event that you need to check your student out early, consider calling ahead to the office 15 minutes early so we can have your student ready when you arrive to sign them out. Students leaving school before the end of the school day must be signed out through the front office by the parent, guardian or other adult listed on the student's emergency card. ID will be required to pick up a student.

Travel Study

Travel during the school year is discouraged, although we understand there will be times where it is unavoidable. Students who are not in attendance will miss valuable instruction and experiences, which cannot be replaced. However, if a trip must be taken that will cause a student to miss school (up to 14 days max), we recommend you contact the office and request a Travel Study. We ask that travel studies are requested at least **two weeks in advance** of the trip so the teacher can prepare the materials. A parent/guardian and an administrator must sign the contract. **All work is due on the day the student returns**. To qualify for a Travel Study, a student must be in good academic standing and meet attendance requirements. Only one Travel Study can be granted in an academic school year; additional requests may be approved at the discretion of the site. The administration may deny a travel study request if requirements are not met. Travel Study will not be granted during the first full week of school, last two weeks of school, or during state testing for 3rd-5th graders, which is typically during the month of May.

Withdrawals/Transfers

In order for all necessary records to be completed, families must notify the Attendance Clerk at least two days before a student withdraws from school or transfers to another school. Students will follow their regular schedule on their last day of attendance and complete the withdrawal process during each class period. Final clearance must be made with the Attendance Clerk during the student's last period of classes. A forwarding address, with zip code, must be left with the clerk.

School Attendance Review Board (SARB)

The School Attendance Review Board (SARB) brings together parents, students, school personnel, law enforcement, county probation and other agencies to review cases of students who are referred for irregular attendance. Students and their families are referred to SARB for the following reasons:

1. **Attendance:** The student and family will be summoned to appear before the SARB Board if the student has been declared habitually truant or has excessive absences or tardies. More than nine absences per year is considered chronically absent.
2. **Behavior:** A student who exhibits chronic misbehavior that requires suspension from school for a total of ten school days or more may result in a hearing by the SARB. The administrator may recommend, at any time, that a SARB hearing be convened if a student overtly or flagrantly interferes with the smooth operation of the school or in any way that jeopardizes the health or safety of any individual or group.

The Principal or Assistant Principal and Attendance Clerk will send information to the student’s home if the student has excessive tardies, excused absences, or unexcused absences. The letters will be sent according to the following guidelines:

Excused for Illness	Action	Unexcused Absence	Action
5 th excused absence	Excused Illness Letter #1	3rd Unexcused	1st letter
10 th excused absence	Excused Illness Letter #2	6th Unexcused	2nd letter
14 th excused absence	Excused Illness Letter #3	9th Unexcused	3rd letter and a School Attendance Review Team meeting will be scheduled
15 th excused absence and each absence thereafter will REQUIRE a Doctor’s Note	No Doctor’s note=unexcused absence	10th Unexcused	4th letter; Student Declared Habitual Truant; Referral to SARB Hearing

A SARB hearing results in a contract with the student and family requiring regular school attendance and appropriate school behavior. Violations of the contract will result in a referral to Community School or a petition on behalf of the minor child to the County Juvenile Court. In addition, if your family is on welfare and your child is delinquent, your Welfare Check may be reduced. CalWORKS requires that all school-age children must attend school regularly and on time.

Tardies: Tardies cause disruptions in class and lead to missed instruction for the student. When your child is tardy, please sign them in at the office to receive an admit slip. When a child is tardy 30 minutes or more, state law requires that a parent/guardian sign that child in.

****Per Education Code 48260:** Truancy notices will be sent out for the following: student is absent from school without a valid excuse on three (3) or more days in one school year or tardy in excess of thirty (30) minutes on four (3) or more days**.

Behavior - PBIS

PBIS stands for **Positive Behavioral Intervention and Supports** and is a data-driven behavior plan that teaches students the behaviors we want to see on campus, at home, and in the community. The SWIS data management tool helps us identify trouble spots so we can better target areas that need attention. Positive behaviors are reinforced and rewarded. We have adopted the acronym **ROAR** which stands for **Responsibility, Offer kindness, Always be safe, and Resolve problems**. Below is the Behavior Matrix which shows how our Tigers will **ROAR** on campus, at home, and in the community.

We expect all of our students to exhibit positive behavior which also includes the following:

- ✓ Complete all assigned class work and homework
- ✓ Follow adult instructions (they are considered our “Top Tigers” referenced in the matrix above)
- ✓ Keep your hands, feet and objects to yourself; speak in a calm, respectful voice (this is what it means to be a “Tame Tiger” as referenced in the matrix above)
- ✓ Properly care for school and personal property
- ✓ Use only kind words toward others
- ✓ Keep dangerous items away from school
- ✓ Leave personal items or toys at home. This includes toys and trading cards (Pokemon, etc.).
- ✓ Basketballs, footballs, and handballs may be brought to school as long as the student’s name is on them.

Bully Prevention (in PBIS)

In conjunction with teaching our **PBIS ROAR** rules this year, we will also be providing each student with the knowledge and skills necessary for bully prevention. The focus of this instruction centers on giving students the tools to extinguish bullying through the blending of school-wide **Positive Behavior and Intervention Supports**, explicit instruction, and a redefinition of the bullying construct. We will teach our students when to “Stop, Walk, & Talk” when faced with undesired attention from another person.

Purple Hands Pledge

“I will not use my hands or my words for hurting myself or others.”

This pledge serves as a reminder when it comes to student, staff, and parent behavior. Students recite the Purple Hands Pledge every morning and are reminded about this pledge when discussing attitudes and behavior.

Playground Procedures

- ✓ Stay in designated areas. Do not go onto the learning circles or outdoor stage during recesses or cross through other students’ games.
- ✓ Keep school grounds clean. Snacks are only to be eaten at the tables under the shade structures by the multipurpose and between the two play structures.
- ✓ Use the restroom and get a drink before the bell rings.
- ✓ Stop playing and hold all equipment when the bell/whistle rings. Walk to your class line when the whistle blows.
- ✓ Play catch with footballs on the grass only, not on the blacktop.
- ✓ Report any problems to the playground supervisors on duty.

Apparatus Procedures

- ✓ One person on the slide at a time, slide feet first, sit on your bottom, and move out of the way when finished.
- ✓ No running or playing tag in the apparatus area.
- ✓ Balls and other play equipment do not belong in the apparatus area.
- ✓ Proceed one way on rings.
- ✓ Skipping bars is fine, but no jumping to skip the bars.
- ✓ No sitting or standing on top of any apparatus.
- ✓ “Awarded to students by any staff member for being **R**esponsible, kindness, **A**lways being safe, or **R**esolving problems.

Offering

Student Recognition

❖ **ROAR Cards**

✓ "Awarded to students by any staff member for being **R**esponsible, **O**ffering kindness, **A**lways being safe, or **R**esolving problems.

- ✓ Can be used in the student store for prizes. The more cards a student has to trade in, the greater the prize. **Orange cards given out by teachers are worth one and green cards given out by classified staff or other school personnel are worth double!**

Character Education

This year, as part of our Fun Run partnership with Booster, we have access to a great character education program. This year's theme is Castle Quest and it will teach and emphasize the following character traits: Respect, Trustworthiness, Self-awareness, Life-learner, Focus, and Creativity.

Reinforcement & Consequences

All classroom teachers post and consistently enforce classroom standards for behavior. We want students to learn to take responsibility for their actions. Our approach to helping students is positive and proactive.

At times, it is important for students to have consequences for their actions. At TBES, we have a five-level discipline system. The first two levels are for minor infractions and are handled by the classroom teachers with consequences ranging from a warning to a classroom citation depending on the severity or frequency of the behavior. The final three levels are for more serious infractions or repeated offenses and result in a referral to the office. *(A detailed copy of the five-level discipline system will be provided upon request.)* In addition, field trips might be revoked if the teacher feels that a student's improper behavior might become disruptive or dangerous to others or themselves. Suspension or expulsion may be imposed at any time in the case of serious violations (Educational Code 48900) by the administration or "teachers-in-charge." In the case of any discipline, it is our hope that we will work together to help our students learn valuable character traits, which will serve them well for the rest of their lives.

Nondiscrimination/Harassment

District programs and activities shall be free from discrimination. The District takes these types of incidents very seriously when students make remarks (slurs) against other students, families, staff members or members of the community. A "slur" is speech, for example, epithets, threats, verbal abuse, use of profanity or derogatory comments that make reference to real or perceived ethnicity, national origin, immigrant status, religious belief, gender, sexual orientation, age, disability, political affiliation, manner of speech, or any other physical or cultural characteristics.

A "slur" also includes spreading rumors, jokes, notes, stories, drawings, pictures or gestures that make reference to the previously mentioned protected classes. Any student who directs a slur towards any other student at school or at a school-related activity and who is reported to the school for making the slur is subject to the disciplinary action described below. ([See also Board Policy 5145.9 Hate Motivated Behavior](#))

Making slurs may result in, but is not limited to, the following:

- Phone call to parent/guardian
- Loss of school privileges
- Conference with any or all of the following: students involved, parent/guardian, administration, counselor, staff members
- Written apology
- Possible suspension for the **second** racially motivated offense

Dress Code

Our Board Policy (AR5132) expects students to wear clothing that is suitable for the school activities in which they participate. Additionally, students shall not wear clothing that presents a health or safety hazard or causes a substantial disruption to the educational program. If a student's appearance disrupts the school program, a parent will be called to assist in correction of the problem.

- ◆ Students must always wear shoes. The shoes must be safe and appropriate for P.E. and outside activities. Any heels must be low and all sandals must have back straps (Crocs must be worn in sport-mode). No flip-flops are allowed.
- ◆ Shorts and Tops: We're asking for a 4" inseam for all shorts. Spaghetti straps are allowed, but please practice good judgment in terms of modest dress. Clothing that exposes the midsection or underclothing is not allowed. Tights and/or shorts should be worn under dresses for outside activities.
- ◆ Clothing and jewelry shall be free of writing, pictures or any other insignia which are crude, vulgar, profane, or sexually suggestive or that which advocates racial, ethnic, or religious prejudice or the use of drugs or alcohol.
- ◆ Students must wear pants at or above the hip point that stay up without a belt. The pant length must be above the ground (sagging is not allowed).
- ◆ Students shall not wear accessories which could pose a threat to the physical well-being and safety of the students or disrupt the learning environment. These include the following: ear piercings with protruding studs or hoops; chains; chokers with studs, etc.
- ◆ Students wearing hats must have the brim facing forward, and hats must be removed indoors.
- ◆ The administration reserves the right to decide the appropriateness of the student's attire and to review and change the dress code to ensure a productive and safe learning environment as necessary. If a student's articles of clothing, jewelry or accessories violate the dress code or in some other way cause disruption to the learning environment, parents will be notified and the student will be asked to change.

Cell Phones/Smart Watches/Other Electronic Communication Tools

While we discourage student possession of cell phones and other electronic communication tools on campus, we understand that parents may wish for their children to carry a cell phone, smart watch, or other electronic communication tool to be used going to and from school. Students who bring a cell phone to school must keep the phone in the OFF position while on campus and store it safely in their backpack. Smart Watches must be set to school mode and students may not use them as communication devices during the school day. The school is not responsible for any lost or stolen electronics. If students have their phone, smart watch, or other electronic communication tool out of their backpack during the school day, the following procedures will be followed:

- 1st Occurrence: Student will be asked to return their device to their backpack, and the incident will be logged in Powerschool.
- 2nd Occurrence: The device will be placed in the office for the student to pick up after school, the incident will be logged Powerschool and staff will contact the parent.
- 3rd Occurrence: The device will be placed in the office for a parent to pick up after school, the incident will be logged in Powerschool and staff will contact the parent.
- 4th and further Occurrences: The device will be placed in the office for a parent to pick up after school, the incident will be logged in Powerschool, and a parent meeting will be scheduled for each future occurrence.

*Students using devices for medical purposes are exempt for medical monitoring purposes.

[California Education Code Section 48901.7.](#)

The school is not responsible for any lost or stolen electronics.

Bike/Scooter

Students are encouraged to ride bicycles and scooters to school if they can be ridden safely according to the vehicle code, the student wears a bike helmet, and bikes are locked in the on-campus bicycle racks during the day. Students must walk their bikes and scooters on campus at all times. Helmets must be worn when riding bikes and scooters to and from school since this is a California State law. Students observed not wearing helmets will not be allowed to ride their bikes home.

According to CA law, bicycle, scooter and skateboard riders and passengers under 18 years of age must wear a fastened bicycle helmet while riding on a public road (CVC §21212). Head injuries are more complex and more difficult to heal than typical injuries – don't take the risk!

California State law also states that anyone operating a motorized scooter must have a valid driver's license. Because of this, motorized scooters are not allowed as a means of transportation for our students.

Under California Vehicle Code **407.5(a)**, an e-scooter is defined as:

A "motorized scooter" is any two-wheeled device that has handlebars, has either a floorboard that is designed to be stood upon when riding or a seat and footrests in place of the floorboard, and is powered by an electric motor.

The law also places clear restrictions on e-scooter operation under **Vehicle Code 21235**, including:

- Riders are **REQUIRED** to have a valid driver's license or learner's permit.
- E-scooters cannot be operated on sidewalks, except as may be necessary to enter or leave adjacent property.
- No passengers are permitted on an e-scooter.
- Riders under 18 must wear a properly fitted and fastened bicycle helmet.

Additionally, **California Education Code** requires schools to take responsibility for student safety during their travel to and from campus. Unfortunately, we have seen an increase in incidents involving e-scooters, some resulting in serious injuries. To address these safety concerns and ensure compliance with the law, **e-scooters and e-motorcycles will no longer be permitted on elementary school campuses.**

Birthdays/Holidays

Birthday and holiday celebrations vary by teacher and grade level. Please reach out to your child's teacher with any questions on celebrations. We ask that flowers, balloons, stuffed animals, or other large gifts not be delivered to the school. To minimize class disruptions, deliveries will be held in the office, we will notify the student, and they can pick it up after school.

Cafeteria

Free breakfast and lunch will be available to all WPUSD students this year.

For daily menus and to find out more about our district's [Food and Nutrition Services](#), please go to the [district website](#).

Changing a Student's Teacher: Teachers and administrative staff take a considerable amount of time forming classes. If a class change is desired, the parent must meet with the child's teacher and principal to discuss the reasons and availability of space in other classrooms. No requests to change teachers will be considered during the first 15 days of the school year.

Please be aware our population is rapidly growing. As a result, we may need to reconfigure classes at the beginning of the school year to ensure classes are not overcrowded. ***In addition, Intradistrict or Interdistrict Transfer requests may be denied due to enrollment numbers at any time of the year.***

Confidentiality

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to schools that receive funds from the US Department of Education. The law also allows parents the right to inspect and review their child's educational records and to request copies (schools can charge a copy fee) of all or parts of the record. The request to review and/or copy the records needs to be made in writing and shall take place in the presence of an administrator or his designee. School employees cannot provide people (other than the student's parents/guardians) information or educational records about a student that is under 18 years of age unless the parent has provided written consent that approves the release of such records.

Directory information, such as a student's name, address, telephone number, date and place of birth, honors and awards and dates of attendance can be disclosed by the school. If a parent chooses to exclude their information from being shared, there is a form that must be completed and turned into our school office.

Drop-Off and Pick-Up Procedures

Students may be dropped off in front of the school along the yellow curb area which is for drop-off/pick-up only. If you are using the driveline it takes approximately 5-10 minutes to pick-up and 2-3 minutes for drop-off.

PROCEDURE FOR FRONT OF SCHOOL PICK-UP/DROP-OFF

- * Parking lot by the park is a 2-way road. NO parking along the curb. You MAY use the parking spaces in the parking lot but MUST use the exit by the park ONLY.
- * There are 2 lanes, a passing lane for those pulling through OR who are filling in an empty spot in the pick-up/drop-off line, as well as a pick-up/drop-off lane. Our procedures are similar to the airport. If the car in front of you is stopped and picking-up/dropping-off and there is space in front of them, use the passing lane to go around them and pull-in.
- * Students may only be picked-up/dropped-off from the far right lane along the yellow curb.
- * When you enter the school parking lot, please make sure your student(s) have their backpack(s) and are ready to get out of the vehicle. Please remain inside your vehicle at all times while in the pick-up/drop-off lane.
- * Please pull all the forward and fill in any gaps between cars. We have staff out front to greet students and ensure they make their way through the front gate.
- * When using the front of the school area you can now choose to use the main exit and go straight or left OR you can proceed down the road by the park and exit and turn right or left at that exit.

For walkers or bike riders, the entrance at the Arroyo Madrone cul-de-sac adjacent to our school will be open until 8:10 AM. ***Please note the Arroyo Madrone entrance is not for dropping off or picking up students by car, but rather for walkers and bike riders only.*** Parents must drop-off or pick up their children at the corner of Arroyo Madrone and Briarton as it is a much easier location from which to get in and out and does not cause traffic congestion for back gate neighbors.

Emergency Procedures

The school's emergency plan identifies the specific actions for an emergency situation. Students and staff practice emergency procedures such as fire drills and classroom evacuations during the school year.

Evacuation

In the event that an emergency requires evacuation prior to the end of the school day, all students, staff and visitors will be notified and will evacuate to the primary location (blacktop area) or a secondary location on campus if necessary. The principal/designee will work with the classroom teachers to account for all students, staff and visitors. Bus riders will be transported home if safe to do so with families notified of the evacuation. All other students will be dismissed to their parents from a designated pick-up area.

If evacuation of the school is necessary, students will be transported to Twelve Bridges Middle School (Westview Drive & E. Lincoln Parkway). Information regarding the location and updates will be announced on ParentSquare.

Lock-Down

In the event that an emergency requires students to remain in their classrooms with the classroom doors locked, the students, staff, and visitors will be notified over the PA system and the emergency system called Alertus. Students on the playground will be directed by staff on duty to line up where they will be taken to the nearest classroom or to the multipurpose room. Students already in the multipurpose room will remain in the multipurpose room. The principal, custodian, and office personnel will ensure doors are locked. Staff will take attendance noting the student's name and their teacher so that all students can be accounted for by office personnel who will contact each classroom and location of students. When it is safe to do so, the "all clear" signal will be given and normal student activities will resume.

Fire Drills

Fire drills are conducted on a monthly basis. A drill begins with the fire alarm sounding and students walking with their teacher to a designated spot on the blacktop. Once all students are accounted for the "all clear" signal will be given with normal student activities resuming.

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

Field Trips

Field trips are scheduled at the classroom teacher's discretion to supplement the classroom curriculum. Field trips are considered an extracurricular activity with student attendance conditional on behavior. Students are responsible for returning field trip permission slips to school whenever field trips are planned. Students who do not have written permission may not be allowed to go on the trip. Students, unless officially signed out from school (completing a sign out log in the office) by their parents/guardians, need to ride the bus to and from the field trip. Parents who officially sign their children out of school during a field trip can only provide transportation to their children (not to neighbors, friends or relatives).

Parent chaperones are encouraged and may be required on field trips. To attend as a chaperone, parents must have current TB clearance and be fingerprinted. Siblings of students attending a field trip are not allowed to attend field trips.

The Principal may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk. WPUSD Administrative Regulation 6153 (b).

Grade Reporting (Report Cards & Progress Reports)

Our school utilizes trimester grading periods. As such, final report cards are issued at the end of each trimester. The final report card may be withheld by the school if a student has any outstanding debts or materials. Conferences with all parents will be made available in November.

Health Services

A nurse is available on site each week and a nurse's aide is on site each afternoon. It is vital that current emergency card information is available in case of an emergency. More than two names and phone numbers need to appear for emergency situations. Medication may be dispensed to children by school office personnel upon the request of the parent and the child's physician. A form must be completed by the parent and physician prior to the administration of the medication. The form is available in the school office.

**** Please note that by law, students are not allowed to self-administer any medication, including cough drops or over-the-counter medication.***

Homework

Homework is intended to provide extra practice of essential skills and create a strong home-school connection. The following are **general guidelines** for each grade level regarding the amount of time that should be spent doing homework each night:

Kindergarten: 10 minutes of work plus 15 minutes of reading

First Grade: 15 minutes of work plus 15 minutes of reading

Second Grade: 20 minutes of work plus 20 minutes of reading

Third Grade: 20 minutes of work plus 30 minutes of reading

Fourth Grade: 30 minutes of work plus 30 minutes of reading

Fifth Grade: 30 minutes of work plus 30 minutes of reading

The above are simply guidelines that may change depending upon any special projects or assignments and can vary from teacher to teacher. The time limits refer to focused work time.

Insurance Information

Since the district does not provide accident medical insurance for school-related injuries, it makes available affordable insurance plans to help in the event of an accident and urges you to purchase the plan that best fits your needs. Additional insurance forms are available from the front office staff.

Items Dropped Off for Students

To eliminate disruption of instruction, lunches, water bottles, clothes, books, or other items brought to school during the school day are to be brought to the front office. Students will be notified of the items arrival and sent up to pick them up. Please make a concerted effort to ensure students arrive at school with required items.

Do not send balloons or flowers to students during school hours. Students are not allowed to have them on campus as they are a distraction. If items are delivered to campus, they will be held in the office until the end of the school day.

No food delivery companies (Uber Eats, Door Dash, etc.) are permitted to deliver food to students during school hours. If a delivery is made to the school during the school day, the food will be available for pickup at the end of the school day.

Library

Classrooms utilize the library weekly. Students may check out books, but are responsible for loss and/or damage. Report cards, yearbooks, or awards are held until charges are cleared.

Lunch with Student

On special occasions, parents/guardians are allowed to have lunch with their student(s) in designated areas. This privilege is for your student and does not include their friends/classmates.

Lost & Found Items

Clothing items, money, or other found items at school are turned in to the front office. Please check with our office staff if something is missing or found. **To help ensure that your child's jackets and sweatshirts get returned, please be sure to write your child's name on them.** *Items not claimed will be donated!*

Parent Teacher Club (PTC)

The Parent Teacher Club (PTC) is a non-profit volunteer group that works to supplement and support TBE's school programs. Supporting school activities, class programs, fundraisers, and sharing time and ideas helps us provide these benefits. The PTC identifies and responds to the needs of the school community. Where appropriate, funds are provided for special projects and activities that would not otherwise be possible.

How can you help the PTC? Sign up to help with an event or volunteer in the classroom. Shop for supplies. Donate items for upcoming events. Take photographs for the yearbook. We'd love to have your assistance. Call us with your ideas as well! Attend a PTC meeting – see dates and times listed in the Sunday Message or School Marquee.

Personal Property

Students are not to bring trading cards, toys, games, sports equipment, or electronic games from home. These items can become a distraction in class and cause disruptions on the playground. The school is not responsible for lost or stolen personal items, including electronics. Please revisit the "Cell Phones" section above for clarity on cell phone use.

Phone Messages to Students

Please try to inform your children of any important messages before they leave home in the morning. If necessary, we will do our best to relay any phone messages to your child. Please be aware that we will not interrupt class time with a phone call. To ensure that messages get through in time, please call no later than 1:30.

Resolving Concerns

There may come a time when a parent has a concern regarding a decision, action, or comment of a staff member. We encourage parents to act quickly in addressing the concern as follows:

1. Classroom concerns should first be brought to the attention of your child's teacher. Please call or email the teacher to explain your concern. Small concerns may be addressed through a phone call or email while larger concerns are better addressed in a conference.
2. If the classroom concern is not satisfactorily addressed after meeting with the teacher or if the concern is a school level concern, please contact the principal. Again, small concerns may be addressed through a phone call or email while larger concerns are generally best addressed through a face-to-face meeting.

School Site Council (SSC)

The School Site Council is created in order to assist the school in developing a school improvement plan and monitoring the progress and spending toward stated goals. Advisory in nature, the SSC's functions are to review the school improvement plan, monitor its implementation, periodically assess the effectiveness of the program, and oversee the development and expenditures of the program improvement budget. SSC membership consists of teachers, parents, classified staff, and community members.

Student Success Teams (SST)

Twelve Bridges recognizes the various academic or social needs of students. In an attempt to maximize learning outcomes while teaching students to be responsible, Student Success Teams (SST) are formed. When necessary, these teams plan for alternative social and instructional strategies for students. The Student Success Teams consist of an administrator, one or more teachers, support staff members, and parents.

Recommendations may include one of the following:

- ♦ Additional academic interventions or supports
- ♦ Academic behavior/progress monitoring
- ♦ Increased communication between teachers and parents
- ♦ Referral to an outside agency
- ♦ Parent support opportunities
- ♦ Referral for testing and/or counseling
- ♦ Development of a behavior contract
- ♦ Anything else deemed necessary/appropriate by the Student Success Team.

Textbooks/Chromebooks

Each student is responsible for maintaining the condition of any textbooks and/or classroom materials assigned to him/her and for returning all assigned textbooks to the teacher at the end of the school year or when the child leaves the school. Report cards may be held until all books and materials are returned or debts otherwise cleared.

Your student will be issued a District technology device (ie, Chromebook) to use only for school-related instruction and activities. Its use is conditioned upon compliance with all District Student Internet and Telecommunications Use policies. Copies of the Student Internet Use Agreement and policies can be found on our district website [HERE](#).

WPUSD owns the device, installed software, and other accessories and if the District technology device is used for any improper purposes, the District reserves the right to have the District technology device returned immediately and remove working access.

You are liable for the value of this device while it is in your possession. If notified by the District, you are to return the District-issued technology device within 10 days or during the scheduled return window dates. A device not returned, or returned damaged, will result in the full replacement charge of the device.

WPUSD is offering a Student Chromebook Service Plan for families to purchase to cover basic repair or replacement of the student's Chromebook for the school year. Parents can enroll on our website [HERE](#)

Tobacco, Alcohol, and Drug-Free School Site

All schools and district facilities are tobacco, alcohol, and drug free sites. The use of tobacco, alcohol, or drug products is prohibited within any district property (including our parking lot), facility or vehicle. This prohibition also applies to all individuals attending events on school campuses or representing the district at school-sponsored activities (such as field trips) that are held at locations other than district property.

Volunteers and Visitors

Parents are encouraged to volunteer in our school. They must sign the visitor sheet in the office and wear the "VISITOR" lanyard while on campus.

All volunteers are required to have a current T.B. test on file in the school office. A Live-Scan fingerprint check is also required for all volunteers who will be working with students on an on-going basis or if they will not be under the direct supervision of a certificated staff member and needed to go on field trips as well.

There are times when a volunteer may see or hear something in a classroom or on the campus regarding a student's academic progress, a discipline issue, or other matters that are sensitive and confidential. We ask volunteers to be aware that information about students should not be discussed with anyone other than the appropriate school officials.
