#### Feedback and Discussion from Community Stakeholders

Several community stakeholders emailed school admin to express interest in the Superintendent Search and volunteer their time to provide individual feedback. The Superintendent Search Committee felt it was important to invite these stakeholders to the first half of the inaugural committee meeting and found the feedback and conversation that took place during the first half of the meeting to be very insightful and productive.

Ms. Shanklin, Mr. Jannarone, Mr. Nardino and Ms. Wildeman left the meeting at approximately 6:15pm.

#### Survey Results

The committee reviewed and discussed the results of the survey that went out to the community. The survey results are available on the website under the Superintendent Search Tab.

#### Superintendent Candidate Profile

SEC provided a candidate profile to the committee for review. The board found the profile to be very comprehensive. The profile can be found on the website under the Superintendent Search Tab.

#### Superintendent Job Posting

The committee was provided a draft job posting and reviewed it to ensure that it reflected input provided by all stakeholders. The committee made several revisions to the job posting.

The committee chair thanked Mr. Scarano for the enormous amount of help he has provided during this process.

The meeting was adjourned at 7:20pm
