Junior Camp Counselor Program

The Junior Camp Counselor Program offers students from **5th-7th grade** a unique opportunity to build leadership skills, develop responsibility, and gain hands-on experience working with younger campers in a supportive and fun environment. This program is designed to empower students with the tools they need to grow as leaders while making meaningful contributions to our camp community.

Morning Rotations

Each morning, Junior Camp Counselors will rotate through the various morning camps offered, assisting instructors with setup, activities, and camper engagement. This rotation provides exposure to different camp themes, such as art, STEM, athletics, and performing arts, and allows Junior Camp Counselors to experience a variety of roles. Junior Counselors are encouraged to actively assist instructors and are welcome to participate in camp activities alongside younger campers, further developing their understanding of teamwork and leadership.

Skills Development

Through their involvement in the program, Junior Camp Counselors will:

- Enhance communication and collaboration skills by working closely with camp instructors and peers.
- Develop confidence in leadership by guiding younger campers during activities and transitions.
- Learn time management and responsibility by following daily schedules and completing assigned tasks.
- Build a sense of community and pride by contributing to the success of the camp experience.

Requirements

Junior Camp Counselors are encouraged to demonstrate enthusiasm, a positive attitude, and a willingness to learn. This program is perfect for students who are eager to take on a leadership role and make a difference in their camp environment.

By participating in the Junior Camp Counselor Program, students will gain valuable experience that will prepare them for future leadership opportunities while creating lasting memories and friendships.
