

## What students/families are saying...

"Able to focus"

"I go at my own pace"

"Smaller class size"

"Can ask for help and not be made fun of"

"Teachers that actually help us"

"Having conversations with people to break up the day"

"Low anxiety [when I come in]"

"No peer distractions"

"No drama being dragged outside of school [from things started in school]"

"I really appreciate you guys not giving up on me..."

"...was very warmed by the compassion you can feel from every single mentor..."
