

Kents Hill School Tuition Insurance Overview 2026 – 2027

What is Tuition Insurance?

Tuition insurance helps protect the investment you are making in your child's education. Your enrollment contract with the school financially obligates you to pay the full amount of tuition and fees for your child to attend regardless of withdrawal for any reason.

We understand unforeseen events occur. Take the worry out of your investment and pass the risk on to **PROTECT MY TUITION™**.
