Hi all,
We need to vote on increasing the amount Tuesday Tutors have toward pay.

1st semester we had $1000 for 3 teachers to help in the library on Tuesdays.
We spent $1142 (including taxes) but turn out wasn't the best.

I have 1 main teacher w/ an additional math teacher each Tuesday.
I believe it will be about the same amount for this semester, so I am requesting $1200 to cover pay/taxes.

Please email me with your vote.
Reminder, next meeting was moved to Feb. 3rd.

Thank you!
Stephanie

Oh we let all struggling students/parents know about it. That seems a lot of money for one or two students. We also offer some tutoring for math before school, lunchtime, afterschool, and have NHS tutors available.
Sadly my vote is no.

I vote no as well. The turnout is not there. I think Heather Eve has more students during lunch than after school. Can we just pay her?

Happy Friday!
I'm 100% behind providing tutor for our students. However, it seems like the turnout isn't strong. I would also vote no to increasing the amount.
What if we have the tutors every other week. Would this keep within the $1,000 budget?
Have a great weekend!
Anne Elizabeth

I will be voting no as well sadly. I have not seen or heard any advertising for this program so I don't believe students know to take advantage of it.
