

FOOT Notes

01/27/2026

NTI Day

Tomorrow, January 28, 2026 will be our first NTI day of this school year. Although students will not be in the building, school work will be assigned by each teacher and students are expected to complete this work for each class. Classwork can be found in Schoology. If your student has a question about their work, please have them reach out to their teacher via email or schoology between 8:00 a.m. and 2:40 p.m. All teacher emails are available on the TFMS website. If you have a problem finding an email address, please contact the school office at 859-341-0216 and one of our staff will be happy to assist you.
