

# Pack It or Park It

All personal electronic devices — including cell phones, earbuds, headphones and smartwatches, must be stored in backpacks or parked in lockers during the school day.

## **Bell to Bell**

Devices must be off and away from the first bell to the last bell of the school day — including restroom breaks and lunchtime.

## **Before and After School**

Students may use devices before and after school.

Requests for exemptions should be discussed with school counselors.
