## 2024-2025 School Accountability Report Card
## (Published During the 2025-2026 School Year)

## General Information about the School Accountability Report Card (SARC)

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

"Walter Brown Elementary School is dedicated to ensuring every student thrives academically, physically, emotionally, and socially. We foster a safe, inclusive environment where diversity is celebrated, adults model empathy, and students feel a strong sense of belonging and pride in who they are". Our school includes Transitional Kindergarten through sixth grade general education classrooms that serve our neighborhood students, two mild-moderate special education classrooms, four continuum autism classrooms which include Resource Inclusion, 2 resource classrooms, 2 speech and language classroom, and a contract with Presence Learning for further Language and Speech Services. We serve 661 scholars which includes 160 English Learners, 23 Newcomers receiving Newcomer Service , and 195 students with IEP's. Each grade level has three general education classrooms. Brown School's Mascot is the Bobcat and our school motto is "Bobcats Will Be Respectful, Responsible and Safe".

We are committed to ensuring that our scholars receive high quality and engaging instruction under our Multi-Tiered Systems of Support (MTSS) that will result in our Bobcats becoming college and career ready. We believe in high expectations, the vital importance of family engagement and involvement, positive character traits, and that our students be provided the academic foundation necessary for future academic success. We believe in the importance of strong partnerships with families and the wider community to engage students and families in their health and overall well being. Walter M. Brown Elementary received the California PBIS Coalition Gold Medal Implementation Award in 2024.

Turlock Unified School District will deliver effective instruction in a safe, equitable, supportive environment in partnership with our families and diverse community. Our team at Brown embraces these efforts by teaching social emotional lessons through our Character Strong framework and curriculum, celebrating achievements and diversities of our Bobcats, and promoting positive interactions among the community, staff and students. We follow our district goals of Academic Achievement & Social-Emotional Learning, Equity & Access, Curriculum & Instruction, Parent Engagement, and Safety & Security and have specific actions to achieve these goals.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|---|---|---|---|---|---|---|
| **Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)** | 24.6 | 86.06 | 562.3 | 88.04 | 234405.2 | 84 |

## School Facility Conditions and Planned Improvements

An assessment of the campus facilities was done in September 2025 using the Facility Inspection Tool (FIT), which was selected by TUSD staff as a suitable tool for our bi-annual safety inspections to determine that a school facility is in "good repair". The school buildings and grounds of Brown Elementary have been deemed to be ‘clean, safe and functional’, having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges, and all visitors check in and out at the school office. Cleanliness: Brown School employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities daily. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Brown School was modernized in 2012-13 which included the complete remodel of all classrooms, restrooms, office and many other campus features. In addition to the modernization the M&O department oversaw a complete replacement of all playground asphalt during the summer of 2015. In the summer of 2017 and 18 perimeter fence was completely replaced and, in the Fall of 2019, a new office building was completed and opened to enhance safety and security with a single point of entry. Adequacy: The Turlock Unified School District prides itself in offering clean, safe, and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated September 26, 2025 may list some items found during the site inspection. These items should not be confused as ‘Non-functioning’ or affect the overall statement of the school site that it is ‘clean, safe and functional.’ Work orders are inputted on a regular basis and are usually addressed within a two-week period of time.

## School Facility Conditions and Planned Improvements

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

**Statewide Assessments**
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

| Subject | School 2023-24 | School 2024-25 | District 2023-24 | District 2024-25 | State 2023-24 | State 2024-25 |
|---|---|---|---|---|---|---|
| **English Language Arts/Literacy** (grades 3-8 and 11) | 23 | 26 | 37 | 40 | 47 | 48 |
| **Mathematics** (grades 3-8 and 11) | 17 | 21 | 25 | 27 | 35 | 37 |

### 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |
|---|---|---|---|---|---|
| **All Students** | 374 | 367 | 98.13 | 1.87 | 26.43 |

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# B. Pupil Outcomes

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1: Aerobic Capacity | Component 2: Abdominal Strength and Endurance | Component 3: Trunk Extensor and Strength and Flexibility | Component 4: Upper Body Strength and Endurance | Component 5: Flexibility |

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### 2025-26 Opportunities for Parental Involvement

Brown School is committed to fostering and sustaining a strong partnership with parents and provides opportunities for parental involvement at our school. Some of these include: School Site Council, English Learner Advisory Committee (Site ELAC), parent nights on our TUSD Initiatives (Title I, PIQE, Book Fair, Carnival), Coffee with the Principal (4x per school year), Family Movie Nights (4x per school year), and opportunities for classroom and study trip volunteers. Our parents also partner with our school district by representing Brown at TUSD's District English Learners Advisory Committee (DELAC), Superintendent Parent Advisory Council, and LCAP Steering Committee. These opportunities give parents a voice in school and district decision making which include but not limited to nominations and voting for committee members and funds being used specifically for academic progress and social emotional wellness. We believe that parents are part of the solution at Brown Elementary School

Brown School posts a daily Bobcat Bulletin video for students and parents to watch. We utilized Parent Square, our website, and Marquee (digital sign) on Georgetown Ave, and Instagram promote events like but not limited to Back to School Night, Parent Teacher Conferences, and Open House, Family Movie Nights, Holiday performances, and Coffee with the Principal. Administrators make daily phone calls to parents as an opportunity to seek parental input along with home visits when required. Teachers utilize Parent Square, digital classroom platforms like Class Dojo, and emails along with personal phone calls. We partner with Parent Institute for Quality Education (PIQE) in providing a variety of hands-on workshops, seminars, and ongoing supports for parents, staff, and administrators to participate in. We also partner with the Family Resource Center fo support our families with community resources and support, this has proven to be a great support for our newcomer families. The phone number to Brown Elementary School is (209) 226-6800.

## Fiscal Year 2024-25 Types of Services Funded

Brown School utilizes a wide variety of services available that support and assist students in academics and social- emotional learning. Some of these include: class-size reduction, ELD Push-In, Pull-Out, and services for English Learners, and Para-professional support in our Special Education classes. We also provide instructional best practice such as; Block scheduling including designated Tier III intervention in Reading, Math, and ELD. This year we have two reading and one math intervention teacher that support our students who are performing two or more years below grade level. As a site we offer; ASES (After School Educational and Safety) program, ELOP (Expanded Learning Opportunity Program), a full-time School-Site Counselor on campus, a full-time CARE clinician on campus, Jessica's House for Grief Support, Tree House and other small group social-emotional learning activities and support. We offer a variety of Study Trips that include visiting college campuses, local community organizations and theaters to provide enrichment opportunities for students. We welcome CSU Stanislaus State Mentors and volunteers to support our students with academics and social-emotional learning. Our academic programs include; APDAR, Summer School Enrichment programs in science and Eureka math training for staff. Our students have the opportunity to participate in Student Council, Superintendent Scholar Senate, and leadership groups that take place during the school day. We also have a full-time site based Community Liaison on staff to support with family outreach. Our Community Liaison supports students and families in accessing resources in the community. She serves as a bridge for families from the

## Professional Development

Professional Development
The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, best practices, equity, and social emotional learning. Multiple measures including CAASPP results, ELPAC achievement data, common formative assessments, and data from site walk through/educational rounds are utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration outside of the school day. The collaboration time allows teachers to focus on the four essential questions of a PLC, 1.) What do we expect students to learn? 2.) How do we know if students have learned? 3.) What will we do if they don't learn it? 4.) What will we do if they do learn it?

Year one and year two teachers are enrolled in TUSD's Induction Program. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching.

Professional development and support is provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Advanced Placement; Small Group Instruction; Social Emotional Learning, Biliteracy, and Next Generation Science Standards. Professional Development for secondary teachers included: inclusive practices, AI literacy, Next Generation Science Standards, essential standards and assessment targets, math instructional practices and deepening understanding of math framework, Ellevation, Interim Assessment implementation in ELA and math. TUSD has invested in training teachers in LETRS-Language Essentials for the Teachers of Reading and Spelling. Three cohorts have completed the two-year course work and another two cohorts are in progress. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has reading and math intervention teachers at all nine elementary sites to accelerate student learning. Also, continued professional development in PBIS, Restorative

Practices, and Behavior Academies.

There are several formal Special Education administrative, teacher, and parent trainings scheduled each year that include the following topics: Service delivery for special education students with disabilities, the referral process for students with needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.
