2024-2025 School Accountability Report Card
(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

Crowell Elementary School serves students in Transitional Kindergarten through Sixth Grade. The campus includes eight SDC Autism classes and two Inclusion Resource Teachers. In addition, we offer one State Preschool class and one Head Start class, each operating both a morning and afternoon session. Our TK–6 enrollment is approximately 780 students.

The mission of Crowell Elementary is to prepare all students socially, emotionally and academically for college and career success. Our mascot is the Cougar, and our school motto is “Cougars are Kind.”
Crowell’s staff is dedicated to providing high-quality, individualized instruction that ensures every student is college and career ready. We support the whole child by offering social-emotional learning opportunities, connecting families with community resources, and fostering positive and productive relationships with students and parents.

The Turlock Unified School District is committed to fostering inclusive learning environments where all students feel valued, supported, and respected. Crowell Elementary embraces this commitment by promoting equitable access to learning, encouraging positive interactions among diverse learners, and implementing practices that support students of all abilities and backgrounds. We strive to teach, model, and reinforce inclusive mindsets and behaviors throughout our school community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

An assessment of the campus facilities was done in September 2025 using the Facility Inspection Tool (FIT), which was selected by TUSD staff as a suitable tool for our bi-annual safety inspections to determine that a school facility is in "good repair". The school buildings and grounds of Crowell School have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges, and all visitors check in and out at the school office. Cleanliness: Crowell school employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities daily. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Crowell School was modernized between 2011 & 2012. The campus has a new Fire Alarm System, new Public Address System, new Phone System, and many other infrastructure items. In addition to this the whole campus received a phase lift with new Paint and Color Scheme. Approximately 20 classrooms were completely remodeled inside as well as 3 sets of Student Restrooms; this campus is in very good condition. In 2018 new fencing was installed around the entire perimeter of the site to enhance safety and security as well as create a single point of entry. Adequacy: The Turlock Unified School District prides itself in offering clean, safe, and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated September 24, 2025 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Crowell Elementary School welcomes and encourages all parents and guardians to participate in their children's educational experience. Parents who wish to volunteer in classrooms or attend study trips must complete a volunteer packet. Opportunities for involvement include supporting study trips, volunteering in classrooms, and participating in the Parent Teacher Association (PTA), School Site Council (SSC), English Learner Advisory Committee (ELAC), and the Superintendent's Parent Advisory Committee. Family education events are also offered throughout the year to strengthen home–school partnerships.

Parents and guardians are invited to attend Back to School Night, Open House, Parent–Teacher Conferences, school assemblies, music performances, and Coffee with the Principal. Crowell Elementary utilizes ParentSquare as its primary communication platform, and families are encouraged to monitor academic progress and attendance through the Aeries Family Portal. District and site updates are also available through ParentSquare, social media, and district and school websites.

For additional information, parents and guardians may contact the school office at (350) 206-2800 or visit the Crowell Elementary School website at crowell.turlock.k12.ca.us.

Fiscal Year 2024-25 Types of Services Funded

Crowell Elementary School provides a comprehensive array of programs and services designed to support students' academic achievement and social-emotional well-being. These services include both integrated and designated English Language Development, after-school academic support, targeted Reading and Math Intervention, individual and group counseling, and school-wide intervention support systems. The school also employs an EL site support paraprofessional who assists the ELD teacher in providing services for newcomers. Additionally, a Community Liaison supports students and families, fostering strong communication and positive connections between home, school, and the district.

Crowell offers multiple extended learning opportunities, including the After School Education and Safety (A.S.E.S.) program, the Expanded Learning Opportunity Program (E.L.O.P.), CSUS mentors, summer learning programs, and access to community-based counseling services. Students engage in enrichment experiences through on-site educational presentations and study trips. A school counselor and mental health clinician provide staff training and Tiered supports to promote students' social-emotional learning and skill development.

To further strengthen academic progress, Crowell employs a Math Intervention teacher, two Reading Intervention teachers, as

Professional Development

Professional Development
The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, best practices, equity, and social emotional learning. Multiple measures including CAASPP results, ELPAC achievement data, common formative assessments, and data from site walk through/educational rounds are utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration outside of the school day. The collaboration time allows teachers to focus on the four essential questions of a PLC, 1.) What do we expect students to learn? 2.) How do we know if students have learned? 3.) What will we do if they don't learn it? 4.) What will we do if they do learn it?

Year one and year two teachers are enrolled in TUSD's Induction Program. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching.

Professional development and support is provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Advanced Placement; Small Group Instruction; Social Emotional Learning, Biliteracy, and Next Generation Science Standards. Professional Development for secondary teachers included: inclusive practices, AI literacy, Next Generation Science Standards, essential standards and assessment targets, math instructional practices and deepening understanding of math framework, Ellevation, Interim Assessment implementation in ELA and math. TUSD has invested in training teachers in LETRS-Language Essentials for the Teachers of Reading and Spelling. Three cohorts have completed the two-year course work and another two cohorts are in progress. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has reading and math intervention teachers at all nine elementary sites to accelerate student learning. Also, continued professional development in PBIS, Restorative

Practices, and Behavior Academies.

There are several formal Special Education administrative, teacher, and parent trainings scheduled each year that include the following topics: Service delivery for special education students with disabilities, the referral process for students with needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.
