2024-2025 School Accountability Report Card
(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

The mission of Cunningham Elementary School: We at Cunningham Elementary School we will ensure ALL students learn at high levels in a safe and supportive environment.

We proudly serve approximately 549 students in our TK–6 program, along with specialized programs that include seven Autism classes, three Mild-Moderate classes, and two Head Start classes.

Our diverse student population includes:
- 10% White
- 77.4% Hispanic

Significant subgroups:
- 32.9% English Learners
- 32.07% Socioeconomically Disadvantaged
- 26.3% Students in Special Education
- 0.2% Foster Youth

At Cunningham, we take great pride in celebrating student achievements and recognizing students for good character through daily positive incentive cards, Student of the Month awards, Character Trait of the Month awards, and Rotary awards. We celebrate students every other Wednesday morning at our school outside assembly. Opportunities for student leadership and extracurricular activities include: Sandy Hook Promise Club, student council, orchestra, band, and choir. All students receive weekly music and art instruction and participate in daily social-emotional learning through Character Strong lessons. Cunningham teachers continually refine their instructional practices to meet the individual needs of each student. Through monthly faculty, leadership, and PLC meetings, we analyze data, create common assessments, and plan targeted interventions to ensure success for all learners.

Our goals for the current year:
Goal 1: We will Utilize a multi-tiered system of supports to increase academic achievement & social-emotional learning to enhance student success & well-being & promote college & career readiness among all students.

2025-26 School Description and Mission Statement

Goal 2: We will create equitable practices & experiences for all students & staff to mitigate social inequalities & embrace human diversity.
Goal 3: We will provide guaranteed & viable learning from highly qualified teachers who use adopted materials & effective instructional practices to implement standards.
Goal 4: We will expand opportunities to increase parent & family involvement to support District initiatives.
Goal 5: We will uphold policies, procedures, & maintain facilities that reflect a safe, secure environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

An assessment of the campus facilities was done in September 2025 using the Facility Inspection Tool (FIT), which was selected by TUSD staff as a suitable tool for our bi-annual safety inspections to determine that a school facility is in "good repair. The school buildings and grounds of Cunningham School have been deemed to be ‘clean, safe and functional’, having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges, and all visitors check in and out at the school office. Cleanliness: Cunningham employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities daily. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Cunningham School was modernized between 2011 & 2013 which included many campus wide upgrades as well as interior remodel of approximately 20 classrooms and student restrooms. In 2019 the site received new fencing along the front of the school to enhance safety and security as well as create a single point of entry. Maintenance improvement projects continue to be done on this campus, including concrete, asphalt, and landscaping. Cunningham school is in very good condition considering its age. Adequacy: The Turlock Unified School District prides itself in offering clean, safe, and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated September 26, 2025 may list some items found during the site inspection. These items should not be confused as ‘Non-functioning’ or affect the overall statement of the school site that it is ‘clean, safe and functional.’ Work orders are input on a regular basis and are usually addressed within a two-week period.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

At Cunningham Elementary School, we believe that strong parent partnerships are essential to creating a positive, productive, and safe learning environment for every student.

We offer a wide range of opportunities for families to engage with our school community, including Reading and Math Literacy Nights, Science Night, Cookies with Santa, Open House, Family Academic Nights, Back-to-School Night, Soaring Eagle Awards, student performances, and study trips. Parents can also participate in School Site Council, English Language Advisory Council, Coffee with the Principal, Principal Meetings, PIQE class, and the School Safety Committee, as well as volunteer in classrooms.

To support parent education, we provide English as a Second Language classes through our adult school. Our school counselor and mental health clinician offer additional support through meetings, phone calls, and webinars.

Our community liaison and site administrators are available for walk-in meetings or scheduled appointments, and all communication is provided in English and Spanish. We actively seek parent input through surveys addressing student and school needs.

To keep families informed, we use ParentSquare for important updates via phone calls, text messages, and emails. Teachers also connect with families through apps such as ParentSquare and ClassDojo. Administrators and staff are available before and after school to meet with families and discuss student needs or suggestions for improvement.

Our community liaison works closely with parents, grandparents, and guardians to identify specific needs and connect families with resources provided by our counselor, clinician, and local organizations.

Stay connected by following us on Facebook and Instagram for updates and information. For more details, contact our school office at (350) 206-2700 or visit our website at https://www.turlock.k12.ca.us.

Fiscal Year 2024-25 Types of Services Funded

Cunningham Elementary offers a wide range of programs and services designed to support student learning, enhance academic achievement, and prepare students for future college and career pathways.

Every grade level includes an intervention block and English Language Development (ELD) block, ensuring that students receive personalized instructional support. With the assistance of site support staff, teachers work with small groups to implement targeted intervention strategies that meet individual learning needs.

To strengthen foundational skills, Cunningham is supported by two Reading Specialists who assist students in grades 1–6 and one full-time Mathematics Intervention Teacher. Additionally, students identified as English Learner newcomers receive supplementary designated ELD instruction from our part-time ELD Teacher.

For students performing below grade level, we provide access to adaptive online learning tools such as i-Ready, mClass lessons, and Reflex Math, which address specific academic needs.

Fiscal Year 2024-25 Types of Services Funded

We also partner with Jessica's House and California State University, Sacramento (CSUS) to offer mentoring programs, including the CSUS Junior Scientist Program. Other enrichment opportunities include Running Club, classroom music for K–4, and orchestra, band, and choir for grades 5–6. We also have art classes for grades K-6th.

Our After School Education Program (ASES) provides tutoring and enrichment activities, while the Expanded Learning Opportunity Program (ELOP) offers additional support after school for TK–6 students.

Professional Development

Professional Development
The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, best practices, equity, and social emotional learning. Multiple measures including CAASPP results, ELPAC achievement data, common formative assessments, and data from site walk through/educational rounds are utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings.

Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration outside of the school day. The collaboration time allows teachers to focus on the four essential questions of a PLC, 1.) What do we expect students to learn? 2.) How do we know if students have learned? 3.) What will we do if they don't learn it? 4.) What will we do if they do learn it?

Year one and year two teachers are enrolled in TUSD's Induction Program. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching.

Professional development and support is provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Advanced Placement; Small Group Instruction; Social Emotional Learning, Biliteracy, and Next Generation Science Standards. Professional Development for secondary teachers included: inclusive practices, AI literacy, Next Generation Science Standards, essential standards and assessment targets, math instructional practices and deepening understanding of math framework, Ellevation, Interim Assessment implementation in ELA and math. TUSD has invested in training teachers in LETRS-Language Essentials for the Teachers of Reading and Spelling. Three cohorts have completed the two-year course work and another two cohorts are in progress. Professional development opportunities occur during a

Professional Development

combination of the regular school day, after hours, and during the summer. TUSD has reading and math intervention teachers at all nine elementary sites to accelerate student learning. Also, continued professional development in PBIS, Restorative Practices, and Behavior Academies.

There are several formal Special Education administrative, teacher, and parent trainings scheduled each year that include the following topics: Service delivery for special education students with disabilities, the referral process for students with needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

This table displays the number of school days dedicated to staff development and continuous improvement.
