Scholarship Selection and Award Guidelines

Applications will be reviewed and scored based on overall application completion, presentation of application (proofed for grammar, punctuation and errors/omissions), and academic achievements and extracurricular activities.

CVAR council will award scholarships based on highest scores. Students will be notified via the school counselor/contact if selected and will be invited to one of our weekly meetings to receive their ceremonial check. Actual checks for the full amount of the scholarship will be mailed to the students once proof of enrollment has been received. Selected students will have 1 year to show proof of enrollment for the fall term and request their scholarship funds.
