

2025 PAY TO PLAY

At Tualatin High School, Pay-to-Play fees help cover the operating costs of our athletic programs. However, we believe sports fees should never be a barrier to participating in high school sports. We are committed to ensuring all students have the opportunity to participate in sports. Completion of this form is REQUIRED for every student athlete.

How Will You Pay?

After tryouts, you will receive a ParentSquare notification letting you know the fee has been added to your student's TuHS Online Store account. Fees can be paid online through the store, or in person directly to our bookkeeper.
