Total Specific Requirements: 15 credits	19.5 credits
---	--------------

Student Choice Electives: 9 credits	8.5 credits
-------------------------------------	-------------

A Senior Project is required to graduate. A Senior Project may be either community service hours (minimum 60 hours) or a substantive project and will require a proposal and the approval to receive a .5 elective credit.

The School Principal at his/her discretion may reduce the number of Student Choice Electives necessary for a Standard Diploma for high school students who transfer into the district from school systems that require fewer credits to graduate. At a minimum, these students must meet all state requirements.
