DECEMBER 2025

From the College & Career Counselor's Desk

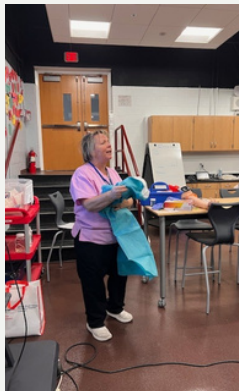

We end November and began December with Career Days-Careers in Health Care. RWJ University Hospital Somerset presented to interested 9-12 students on three careers: Medical Lab Technology, Social Work, Psychology. In Addition, on December 1st, JFK Muhlenberg provided presentation on nursing, sonography and radiology and discussed program with Union College.

We also concluded our college representative visits and have begun our 16 College Instant Decision Days. College representatives review applications and offer in person decision to our seniors.

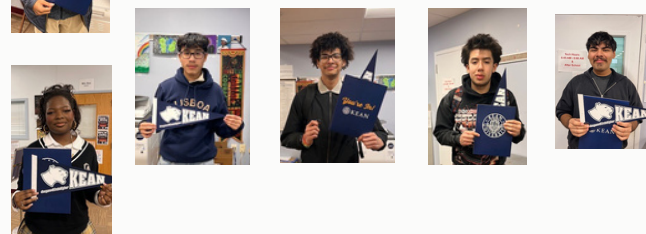

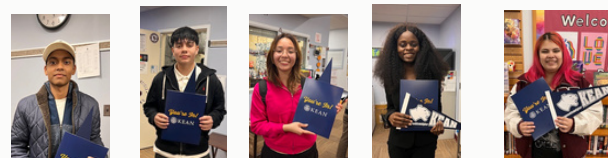

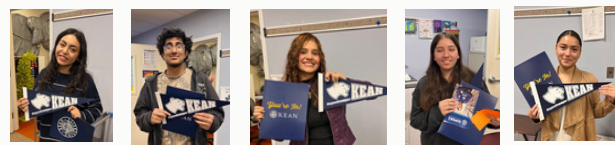

Please review list of upcoming events and resources in the next pages.

INSTANT DECISION DAYS

What is an Instant Decision Day (IDD)? Instant Decision Day (IDD): College admission representatives meet one on one with seniors that would like to have their application reviewed and receive an admission decision that same day. Along with a decision of acceptance, students may also receive an offer of scholarship. Many North Plainfield High Schools have participated in IDD. It's a great way to avoid the long wait to receive an admission decision. Also, most of the participating colleges waive the application fee.

Where :	North Plainfield High School Library - College/Career Room
If I get accepted, do I have to attend that college?	No. The decision is not binding. Instant Decision is not Early Decision! You have the opportunity to compare and accept admission decision offers & financial aid packages from other colleges. Acceptance does not mean you have to attend the school.
How do I participate?	Complete the google registration linked below and select school(s). Close to the IDD date, you will receive your scheduled time for your interview. Remember to review IDD requirements and deadlines for each college. Also, inform your counselor and recommending teachers of your upcoming appointment.
