Dear KHS Trailblazers,

As we look ahead to the coming week and the start of Semester 2, I want to share several important reminders and updates.

Weather-Related Updates
As we move further into the winter season, please be sure to check for any weather-related school delay or closure information directly from our Central Office. Updates will be communicated through official district channels as decisions are made.

Semester 2 Schedules and a Strong Start
Families and students are encouraged to review Semester 2 class schedules in PowerSchool to ensure accuracy and readiness for the new term. Getting off to a strong start is critical, and we appreciate your support in helping students arrive prepared, engaged, and focused as we begin the semester.

School Counseling Support
School counselors will be visiting PRIDE to review the course selection process for the 2026–2027 school year and to answer student questions. This is an important opportunity for students to understand expectations and plan thoughtfully for next year.

Midterm Exam Makeups
If your student missed a midterm exam, please have them reach out directly to their teacher as soon as possible to reschedule the exam. Timely communication is essential to ensure completion and accurate grading.

Class of 2026 – Upcoming Project Graduation Meeting
Families of students in the Class of 2026 are invited to attend the next Project Graduation meeting on **Wednesday, January 28, at 5:30 p.m. in the KHS Library**. We hope you will join us as we share important information and provide opportunities for questions and discussion.

Project Graduation – Stay Informed
A reminder to all families that you can complete the Project Graduation Google Form to stay informed about upcoming events, fundraisers, and volunteer opportunities. We have received a limited number of submissions so far, and continued sharing of this form will help ensure families stay connected as planning moves forward.

Thank you for your continued partnership and support. We look forward to a positive and productive week ahead at Killingly High School.

Sincerely,

Carrie Apanovitch
Principal
