

# We want to hear from you!

## All GCPS families are invited to take part in the 2026 Educational Effectiveness Survey.

Each year, to help improve our schools, Gwinnett County Public Schools collects feedback from families, students, and staff members about their school experiences. This year, the school district is giving Educational Effectiveness Surveys to gather feedback on nine key characteristics of high-performing schools. **GCPS staff can participate from February 2–27.**

The **Student Survey** is administered **February 2 through February 27** for students in grades 3-12 during the school day and is

available in the Student Portal. (Students in grade 3 will only take the Wellness screener.) Please visit [www.gcpsk12.org/families/surveys](http://www.gcpsk12.org/families/surveys) to learn more about the survey, review the questions, or find out about the opt-out process if you do not wish for your student to participate.

The **Family Survey** is open from **February 2 through March 6**. We will send you an email link to the survey on February 2. The survey is available on our district website at [www.gcpsk12.org/families/surveys](http://www.gcpsk12.org/families/surveys). The survey – available in English, Spanish, Chinese, Korean, and Vietnamese – also will be available in the Parent Portal.
