BP-4153

EXTRA DUTY SCHEDULES

All certificated employees of the District are expected to perform non-instructional duties assigned to them. Such extra duties include, but are not limited to, playground duty, hall duty, bus supervision, supervision at school activities, and supervision of student activities both during and after school hours.

When such duties involve regularly occurring, e.g., daily, responsibilities, they will be assigned in a manner that shares the responsibilities among those employees deemed appropriately available for such assignment by the unit administrator.

This policy applies to the extent it has not been superseded by, or is inconsistent with, provisions of any negotiated agreement between the Wrangell School Board and a legally constituted organization that represents the District's teachers.
