PART - TIME ENROLLMENT

The Board encourages all school age students who reside within the district to take advantage of the educational opportunities available at our schools. School aged children who are primarily enrolled in private school, correspondence school, home school, or other programs of that nature are eligible to enroll as part-time students in the district.

Definition of Part-time Student

A part-time student is a pupil who attends a district school for a length of time each day, which is less than the full school day. A part-time student may be primarily enrolled in a private school, correspondence program, home school, or other program of a similar nature and also seek enrollment in the district in order to take advantage of classes and other programs offered in a single district elementary school, middle school or high school.

A child between the age of seven and sixteen years is required to be enrolled full-time in a public school or other state approved educational program. A child will not be permitted to enroll as a part-time student unless the child is also enrolled in a private school, correspondence program, or home school program unless part-time enrollment is otherwise authorized by law.

Transportation

Part-time student may use the district's pupil transportation system on the same basis as full-time students. In all other circumstances, the part-time student and/or his or her parent/guardian will be responsible for the student's transportation to and from school.

Extracurricular and Co-curricular Activities

A part time student may participate in extracurricular and co-curricular activities provided that the student meets all eligibility requirements of the district and the Alaska School Activities Association. It is the responsibility of the parent/guardian to obtain and make available to the district all necessary report cards/transcripts/grades and/or other indicators that are required by the district to determine eligibility for extracurricular and co-curricular activities.
