+When there is a tie, A+'s will be weighed higher to determine Valedictorian/Salutatorian.

An incomplete may be given when a student's work is not finished because of illness or other excused absence or at the discretion of the classroom teacher. If not made up within two weeks, the incomplete will become an F or the actual grade, taking into consideration all assignments, including the missing coursework. The site administrator may extend the deadline due to extenuating circumstances.

A student may petition the school to retake a course in an attempt to improve a previously earned passing grade. If a higher grade is earned, the original course grade would change to NG (no grade) with 0 credit and not be figured into the final gpa.
