CLASS VALEDICTORIAN/SALUTATORIAN

Wrangell Public Schools' selection for Valedictorian and Salutatorian will be based on Grade Point Average (GPA). Final GPA ranking on transcripts will be reviewed by the Counselor and Principal. If there is a tie, both students will have the same rank, but subsequent ranking numbers will be reduced accordingly.

To be considered as Valedictorian/Salutatorian, a student must be enrolled full-time at Wrangell High School their entire 12th grade year. Any infraction or disciplinary action related to academic honesty, including cheating and plagiarism at any time during a student's high school career, will disqualify a student from being considered as Valedictorian/Salutatorian.
