Assistant Principal

Dear MVHS Parents and Students

To enhance safety procedures on all campuses, the Clark County School District has implemented additional safety measures. This safety initiative will require students to wear identification badges while on campus. These ID badges will be distributed with their schedule on the first day of school.

Every morning, students must enter the campus through one of two entrances. These will be located at the east and west doors to the main hall. Students will be required to show their ID badge to gain entrance to the main hall. These entrances will be open starting at 6:45 AM and will be locked when the tardy bell rings at 7:15 AM. After 7:15 AM, all entries will be through the Administrative Office Door.

If a student forgets their ID badge, they will need to visit the front office to obtain a temporary one for the day. If a student loses their ID badge and needs a replacement, the cost will be $5.00; they can request one in the main office. Repeated failure to display a badge could result in progressive discipline, as outlined in the Clark County School District Code of Conduct.

Another enhanced safety initiative is that students will not be allowed to wear any hats or hoods (also see dress code) while on campus. All students must be identifiable on their student IDs and in security camera footage.
