- **No electives can be guaranteed.** Please check your email, the website, and the bulletin regularly in the spring and summer for important master schedule updates.
- **Many electives are highly popular and highly impacted** with limited space. We will do our best to honor requests based on preference, but we will prioritize meeting students' grad requirements above all.
- **All course requests will be entered online** via Aeries. Students, please review your selections with your parents or caregivers.
- All course changes must be made **prior to the end of the current school year.**
- **If you are approved to take a Initial summer school course, 1)** select the required course you are taking over the summer AND 2) select the course you would like to replace it with in *ALTERNATE COURSES*. Once we receive final transcripts we will update your course requests. The class must be completed in its entirety by the deadline.
