| Kiwanis Club of Snohomish Doris Wentworth Vocational Scholarship | \$ 2,000.00 | No | Available at all high schools                   | 1 @ \$2,000 at SHS, GPHS, or AIM                  | 20 hrs min | N/A | YES | The Snohomish Kiwanis Scholarships are designed to support and encourage the academic and personal growth of graduating seniors in the Snohomish community. These scholarships aim to recognize students who demonstrate academic achievement, leadership, community service, and a commitment to making a positive impact in their community. By investing in the future of local students, the Snohomish Kiwanis scholarships reflect the club's mission to serve children and improve the world, one child and one community at a time. The club supports Key Clubs at Snohomish and Glacier Peak High Schools. Primary priorities considered are: financial need, academic coursework, adversity faced, and community service including Key Club. Secondary priorities considered are: post-high school plans, extracurricular activities, work experience, and letters of recommendation. THIS SCHOLARSHIP IS OFFERED TO A STUDENT THAT INTENDS TO ENROLL IN VOCATIONAL COURSEWORK OR TRAINING.                                                                                                                                                     | <p>#1 "The Kiwanis Club of Snohomish values a well-rounded perspective of our applicants. Please share any additional details regarding the following areas if you haven't already discussed them in your essay: financial need, academic rigor, personal adversity, community service, post-secondary plans, extracurricular involvement, or work experience. We are interested in how these experiences have shaped your goals and character."</p> <p># 2 "The Kiwanis mission is to serve the children of the world and improve communities one child at a time. A 'Kiwanian' is a service leader who identifies local needs and takes selfless action to meet them. Reflecting on your time in Snohomish, how have your personal values and service experiences aligned with this mission? Please describe a specific instance where you identified a need and took action to help others. Finally, how do you plan to carry this 'Kiwanis spirit' forward to support the next generation and remain a service leader in your future community?"</p> |

| Kiwanis Club of Snohomish Vocational Scholarship        | \$ 2,000.00  | No | Available at all high schools                   | 1 @ \$2,000 at SHS, GPHS, or AIM      | 20 hrs min                 | N/A | YES | The Snohomish Kiwanis Scholarships are designed to support and encourage the academic and personal growth of graduating seniors in the Snohomish community. These scholarships aim to recognize students who demonstrate academic achievement, leadership, community service, and a commitment to making a positive impact in their community. By investing in the future of local students, the Snohomish Kiwanis scholarships reflect the club's mission to serve children and improve the world, one child and one community at a time. The club supports Key Clubs at Snohomish and Glacier Peak High Schools. Primary priorities considered are: financial need, academic coursework, adversity faced, and community service including Key Club. Secondary priorities considered are: post-high school plans, extracurricular activities, work experience, and letters of recommendation. THIS SCHOLARSHIP IS OFFERED TO A STUDENT THAT INTENDS TO ENROLL IN VOCATIONAL COURSEWORK OR TRAINING. | #1 "The Kiwanis Club of Snohomish values a well-rounded perspective of our applicants. Please share any additional details regarding the following areas if you haven't already discussed them in your essay: financial need, academic rigor, personal adversity, community service, post-secondary plans, extracurricular involvement, or work experience. We are interested in how these experiences have shaped your goals and character."<br><br># 2 "The Kiwanis mission is to serve the children of the world and improve communities one child at a time. A 'Kiwanian' is a service leader who identifies local needs and takes selfless action to meet them. Reflecting on your time in Snohomish, how have your personal values and service experiences aligned with this mission? Please describe a specific instance where you identified a need and took action to help others. Finally, how do you plan to carry this 'Kiwanis spirit' forward to support the next generation and remain a service leader in your future community?" |

| L. S. Bickford Memorial Scholarship                     | \$ 2,500.00  | No | Available at all high schools                   | 1 @ \$2,500 at SHS, GPHS, or AIM      | 10 hrs min, no min for AIM | N/A | YES | This scholarship is generously awarded to a student pursuing a Career & Technical Education (CTE) pathway or planning to study a vocational or automotive trade. Applicants must demonstrate financial need and have completed a minimum of 10 hours of community service. Students may be attending a two- or four-year institution; however, those enrolling in a trade or vocational school or program are strongly encouraged to apply and will be given priority consideration.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Essay: What interests you about pursuing a career in the trades or automotive industry? Describe your goals and how this scholarship will help you move forward.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

Vocational schools, universities, and colleges are all considered for this scholarship and continued education.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Must be 3rd generation college student.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Monica Burgmaier Memorial Scholarship                   | \$ 1,000.00  | No | Available at all high schools                   | 1 @ \$1,000 at SHS, GPHS, or AIM      | 4 hrs min                  | 3.0 | YES | Monica was interested in helping others in the community that needed a lift up. She volunteered for organizations around homelessness, food bank, and helping cancer survivors move forward with their lives. Monica was active in booster clubs and preference will be given to a female athlete who is pursuing post-secondary education. Extra curricular activities and community involvement encouraged.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Essay: What are the things you are passionate about in your life and community? How has being a high school athlete influenced your personal growth and development? How do you intend to continue advancing the causes and community needs you are passionate about after you graduate?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Russ Roberts Memorial Scholarship                                               | \$ 1,500.00  | No | Snohomish High School                           | 3 @ \$500 each at SHS                    | N/A        | N/A | YES | Generously offered to a student at Snohomish High School in honor of Russ Roberts, who taught in the Snohomish School District from 1967 to 1997, as a history teacher at Snohomish High School and then a PE teacher at Valley View Middle School. He was always an innovator in curriculum and presentation. Russ left a legacy of innovation, inspiration, high expectations and kindness for all students. Mr. Roberts is remembered by many former students as their "favorite teacher" who had a profound impact on their lives. Applicants must complete required two-part essay. | Essay: Please describe the legacy you will be leaving at Snohomish High School. Describe a teacher you would like to honor, and your reasons why. Include teacher's name, school, grade, and subject they teach.                                |

| Snohomish LIONS Club Dale H. Deierling Memorial Scholarship                               | \$ 2,500.00 | No | Available at all high schools                   | 1 @ \$2,500 to SHS, GPHS, or AIM              | N/A        | 2.5 | YES | The Snohomish LIONS Club is a service organization that has been serving in Snohomish since 1929. The Snohomish LIONS Club is a service organization that has been serving in Snohomish since 1929. The family of Dale H. Deierling (8/21//29 - 5/19/25) is offering this scholarship to support a student pursuing a career in the trades. Dale was a 76-year member of the Carpenters Union, a 1947 graduate of SHS, and a 30-year member of the Snohomish Lions Club. He saw the value in skilled work and demonstrated that value throughout his life. Through this scholarship the family wishes to continue to support the value of skilled craftsmanship. | Q1: What inspired you to seek a path in the trades? Q2: How do you see your future career in the trades as improving people’s lives? Q3: What are you most proud of that you accomplished during your time as a student? |
