Ground Rules

"Share the Air"

- All participants have a voice
- There is value of a diversity of perspectives as an essential part of the process

"Be the crew not the passenger"

- Actively contributing to the meeting (crew)
- Instead of falling back into the role of an observer (passenger)

"3 X 3 Rule"

- Cleaver rule to create equal participation
- Wait until 3 other people have spoken, or 3 minutes have passed before speaking again

Ground Rules

"Agree to Disagree"

- Difference of opinion
- May not leave with resolution

"Parking lot"

- Park off-topic ideas, questions, or comments for a later time.

"A & A Rule"

- Helpful for brainstorming without judgement
- "Adding" and "Alternative"

"Good of the Group"

- Share perspective without going into specifics
- Seeking system changes and patterns

Priority #1

SECAC Said....

Increase and **designate** ongoing professional development opportunities for all staff throughout the school year, with a focus on effective implementation of curriculum, specially designed instruction, and supports that address students' academic, social, emotional, and behavioral needs.

Priority #1

A horizontal dotted line with small grey dots, slightly wavy, spanning the width of the page below the title.

CONSULTANTS

Advisory and Feedback

- **Strength:** What are we doing well? What professional learning have you seen be effective? As parents why is this a priority to you?
- **Experience:** As a member of SECAC what has been your experience with professional learning? Do you feel your team, school, and district is competent?
- **Challenges:** What do we as a system or a department need to do better? What are challenges with professional learning?
- **Ask:** What questions do you still have?
- **Comment:** As a member of SECAC my comment about CCPS meeting Priority 1.....
