### **TIP OF THE MONTH**

**Turn-taking** is a great skill to begin practicing before Kindergarten. Play board games or group activities that require waiting, sharing, and managing the emotions of winning and losing.

### **BOOK OF THE MONTH**

In this humorous and relatable story, a reluctant Pigeon experiences a range of anxieties and "what-if" scenarios about starting school, only to realize that it is the very place where he can find the answers to all his questions.

### **WHAT HAPPENS AFTER I REGISTER?**

Be on the lookout for an email from your child's building principal at the end of the month inviting you to a screening event! Screening events will be hosted at Hopewell and Liberty Bell Elementary Schools, and will provide an opportunity for teachers to get to know their future students.

It will also provide an opportunity for students and families to meet the staff and become familiar with their school building. Families will leave with additional resources to help them prepare for Full Day K. Please note, there will also be a separate Kindergarten Orientation event later in the summer.
