The Westerly Hills Title I School-wide program encourages each parent to be involved in their child's education. This policy outlines the parent involvement activities that will be conducted during the school year.

- **Parents will receive a copy of the Parent-School Compact.** This is an agreement between the home and school outlining everyone's responsibility for supporting student learning.

- **A Title I Annual Parent Meeting will be held on September 25, 2025.** This meeting will cover the results of the annual review meeting from last spring, what activities children will be involved in, how children will be assessed to determine growth, and how and when the assessment information will be sent home to the parents. This meeting also will give parents the opportunity to actively participate and have input into the Title I School-wide program.

- **Monthly grade level/ teacher newsletters,** suggestions for parents on how to work with their child, lists of good books to read with their child, as well as other information will be sent home periodically to provide opportunities to train parents to help their children succeed in school.

- **ParentSquare:** Weekly ParentSquare messages will be sent to parents to inform parents of upcoming school events and reminders.

- **The Parent Center** is a designated room (**space/board**) specifically for parents to use during the school day. This room has internet wiring, an outside phone line and technology services. This room may also be used for conferences and meetings.

- **Parent-Teacher conferences will be offered quarterly.** Teachers will be available to review student progress and answer any questions concerning student achievement.
- **A survey will be given to parents in the fall and spring** of the year that will allow parents a chance to share feedback about the Title I School-wide program. We look forward to suggestions or recommendations that can help to improve our Title I program.

- **We invite/ encourage parents to call the school to speak with your child's teacher or email them** at any time during the year to ask any questions regarding scheduling visits or meetings.

- **Parents will have access to the Parent Involvement Policy via the school website.** The policy will describe the ongoing activities that are held to inform and involve parents in their child's education.

- **Monthly Parent workshops:** Westerly Hills Academy will partner with Above and Beyond Students after school program to host monthly parent workshops.
