Kindergarten

Getting Started in 6 Easy Steps

STEP 1 ENROLL ONLINE

SVSD enrollment is online. Visit our website to enroll. Make sure you have the required documents before starting.

STEP 2 ORIENTATION

Each elementary school hosts an event for future kinders and their families to tour the school, meet students, and access resources for a smooth kindergarten transition. Events will be held the last week of April. View our District Website for specific information.

STEP 3 KINDERGARTEN EXPERIENCE

In August, students will explore kindergarten classrooms, engage in activities, interact with peers, and work with teachers. They'll also enjoy a short recess. This is a student-only activity.

STEP 4 CLASSROOM PLACEMENT

Your student's teacher will be available online in late August. Kinder families will receive a ParentSquare notification with instructions on how to schedule their Family Connection Meeting with their classroom teacher.

STEP 5 FAMILY CONNECTION MEETINGS

Family Connection Meetings take place during the first three days of school (Aug. 26-28), giving you and your student one-on-one time with the teacher to build a relationship and ease the transition.

STEP 6 FIRST DAY OF SCHOOL

The first day of school is scheduled for Monday, August 31!
