## How Can You Earn \$1,000 in Tuition Credit?

- Current NCS families refer new families to NCS for 3-Year-Old Preschool, 4K or Kindergarten-12th grade.
- The referred family completes the Referral Reward Program application and submits it to the Enrollment Specialist.
- Once the new student(s) completes their first semester of Kindergarten or 1st-12th grade, both families will receive a \$1,000 tuition credit.
- New student is entering a tuition free 4K program? That's okay, the \$1,000 credit will be applied once the student completes their first semester of kindergarten at NCS.
- If a WPCP or SNSP family refers a family, or is referred, a \$250 credit is awarded to be used towards non-tuition fees; including co-curricular or sports fees.
- Friends of Newman, Past Parents, and Alumni are encouraged to refer prospective families to NCS. Choose an NCS family to receive a \$500.00 credit.

## Program Rules:

- The program may change or be discontinued at any time. Eligibility of referrals is determined by the NCS President.
- Applications must be submitted by September 15 of the school year the new family is referred.
- A family new to NCS cannot refer another new family for the same school year.
- Referral Reward credits can only be used towards Kindergarten - 12th grade tuition. If a new family is referred when their child is entering Preschool or 4K, the credits will be applied to the referred and referring family's accounts when the new student completes his/her first semester of Kindergarten.
- Tuition credits are transferable while enrolled within NCS - either family can choose to transfer their \$1,000 tuition credit to another NCS family. Once a student graduates, any unused referral credits can no longer be transferred. Request must be received in writing.
- NCS child care programs are not eligible for the referral credit.
- Tuition and fee credits have no cash value and cannot be redeemed for cash.
- Referral credits will not be offered for younger sibling enrollment or other members of a referring family's household.
