Visit Naperville Public Library and unlock a world of adventure!

NAPERVILLE PUBLIC LIBRARY

With an outstanding selection of titles to read, media to enjoy, and programs to attend, we invite you and your student to check out all the Library has to offer!

Reading Materials

- Explore a wide selection of books at various reading levels to engage your student and encourage early literacy.
- Our Easy Readers Collection offers books that are numbered according to their level of difficulty, helping you find the perfect book for your young reader.
- Talking books combine children's books with an audio recording to make reading fun and engaging!
- Check out our World Language collection, featuring books in over 10 different languages including Spanish, Chinese, Hindi, Arabic, and more.
- Not sure where to start? Request "Pick Six" personalized reading lists to suit every reader at any level.

In-Person Programs

- Naperville Public Library offers free programming for all ages! From STEAM programs that encourage critical thinking to game nights and special storytimes, there's something for everyone. Check our online calendar for the full schedule.
- Our Summer and Winter Reading Programs let children from birth to 5th grade earn prizes by continuing to read when school isn't in session.

Other Resources

- Each library location offers in-house computers and iPads with preloaded educational games and activities.
- Does your student need help with homework? Check out Brainfuse HelpNow where students can interact with live tutors in math, reading, social studies, and more.
- Learning doesn't have to end at school. With Museum Adventure Pass, cardholders can explore a variety of exciting museums and cultural institutions throughout the Chicago area.

A world of endless possibilities is just around the corner!
