I am enrolling my child in the: **Toddler Program (18 mos-36 mos)** **Preschool Program (3,4,5 Years Old)**

All tuition payments must be made via Brightwheel, the office will not be accepting payments. There is no service fee for a bank transfer. When using a debit or credit payment, you will incur a 2.9% service fee. (Rate subject to change.)

Tuition is set on a standardized monthly rate considering that some months have less days while other months have more days (including holidays and non-holiday school closures).

I have read and fully understand the Financial Agreement of Foothill Christian Preschool and will abide by the terms of the agreement. I will be responsible to meet my financial obligation to the preschool. I understand that the monthly payments are due the 1st of each month. A late fee is applied after the 5th of every month.

I understand that there is a two-week notice when withdrawing or changing the schedule for my child.

Frequently Asked Questions Regarding Financial Policies & Admission Procedures

When is tuition due?

Tuition is due by the 1st of the month and is late if paid after the 5th. A late charge of \$55.00 will be assessed on the unpaid balance of an account after the 5th of each month. If tuition is not paid by the 20th of the current month, your child may not return until paid in full. A parent will be asked to withdraw the child from school if payment is late on a consistent basis. Unpaid balances will be subject to collections.

What happens if I pick up my child late?

Please make every effort to be on time. If you are on the half day plan you will be charged \$1.50 per minute after 12:15 PM, and the same applies for our regular day after 3:15 PM and extended day after 6:00 PM plans.

Are there tuition reductions if my child is sick or on vacation?

We cannot issue credit for illness or any other type of absence. When you enroll, you secure a spot for your child, and tuition is charged for every scheduled day, regardless of attendance. Our tuition payments are broken into 10 equal installments yearly, meaning we do not adjust payments for school closures or personal absences. However, we are pleased to offer vacation credits to benefit our families! After one full year (12 months) of enrollment, you will earn one week of vacation credit. After two years, this increases to two weeks; you will continue receiving two weeks of vacation credit every subsequent year.

If it is necessary to withdraw my child from school how much notice does the school need?

Our policy requires that a two-week notification be submitted in writing when withdrawing your child. Families who fail to notify the office will be charged for the two weeks. Once withdrawn, families who decide to come back the same year must pay a new re-registration fee.

What is your policy regarding checks returned for non-sufficient funds (NSF)?

If a check or bank transfer is insufficient, there is a \$55.00 fee on all NSF transactions.

When my 2 year old child is potty trained when is the extra fee eliminated?

Your child must be trained fully and in underwear for one month without accidents.

Why do you charge more for a 2 year old or young 3 year old class?

The ratio in these classes is six children to one adult. In our older classrooms, the ratio is twelve children to one adult.

How much will the cost be for an extra day?

An extra day is only available if prior arrangements have been made and there is room for your child. The extra cost is \$75.00 per day for the extended day plan, \$65.00 for the full day plan, and \$55.00 for the half-day plan.

Are there discounts for additional siblings?

There are no discounts for additional children. Tuition rates are set on a per pupil cost, so there is no discount for siblings who attend the school or preschool.

Do I receive a receipt after every payment?

You can access and download your monthly receipts and even your annual tax summary directly from your Brightwheel account.

Can I buy hot lunch on an occasional basis?

Yes. Hot lunch is available for \$8.00 when ordered in advance online. Paying the same day is \$8.50 and an emergency lunch without advance payment is \$9.00. To order lunch [CLICK HERE](#) to create your child's account and enter campus code **FCR1**. *Rates subject to change.*

How much does it cost if a regular day student needs extended care for one day?

The cost is \$35.00 per day.
