

MIDDLE COLLEGE HIGH SCHOOL

2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Contact Information

School Name	MIDDLE COLLEGE HIGH SCHOOL
Street	1260 W. Esperanza St.
City, State, Zip	San Bernardino, CA 92410
Phone Number	(909) 888-4041
Principal	James J. Espinoza
Email Address	james.espinoza@sbcusd.k12.ca.us
School Website	https://middlecollege.sbcusd.com/
Grade Span	9-12
County-District-School (CDS) Code	36678763631090

2025-26 District Contact Information

District Name	SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT
Phone Number	(909) 381-1110
Superintendent	Mauricio Arellano
Email Address	mauricio.arellano@sbcusd.k12.ca.us
District Website	www.sbcusd.com

2025-26 School Description and Mission Statement

Middle College High School (MCHS) was established in 2001 by San Bernardino City Unified School District in partnership with San Bernardino Valley College (SBVC) to serve underperforming and underrepresented scholars through a rigorous dual enrollment model. Designed as a small, supportive learning community, MCHS provides scholars with access to honors-level high school coursework and college classes that accelerate academic achievement and postsecondary readiness.

Originally serving grades 10–12 on the SBVC campus, MCHS relocated in 2013 to its own campus across from the college. This transition expanded the school to grades 9–12 and increased enrollment from 185 to approximately 295 scholars. The MCHS campus includes 15 classrooms—featuring a dedicated science wing and Digital Media Academy (DMA) labs—along

2025-26 School Description and Mission Statement

with a library, multipurpose room, and administrative offices. Scholars continue to maintain full access to SBVC facilities and resources. Admission to MCHS is determined through an application process that includes eligibility criteria and a lottery system.

Middle College High School consistently ranks among California's top-performing high schools. In 2024, 90% of scholars met or exceeded English Language Arts standards and 67% met or exceeded mathematics standards on the CAASPP assessments. MCHS annually achieves a 100% graduation rate, with all graduates completing A–G requirements. In 2025, graduates earned an average of 61 transferable college units; 72% completed an Associate's Degree, and 75% earned IGETC certification for UC/CSU transfer. Additionally, 55% earned the Seal of Biliteracy, 91% earned the Golden State Seal Merit Diploma, and 100% were accepted to four-year colleges.

MCHS has earned numerous state and national recognitions, including AVID National School of Distinction (2017, 2019, 2021), National Blue Ribbon School, California Distinguished School, Golden Bell Award, California Coalition of Early and Middle Colleges (CCEMC) Dual Enrollment Site of Distinguished Practice, and 2025 PBIS Gold School.

In 2024, MCHS was named an inaugural recipient of the California Department of Education's Exemplary Dual Enrollment Award, recognizing its success in advancing equity and closing opportunity gaps for underserved, underrepresented, and first-generation scholars. Notably, approximately 90% of MCHS scholars are projected to be the first in their families to graduate from a four-year college, underscoring the school's transformative impact.

During the 2023–2024 school year, MCHS launched a schoolwide Digital Media Academy (DMA) Industry Pathway, integrating Career Technical Education with SBVC certification opportunities and access to paid internships. Through this innovative model, scholars pursuing a general Associate's Degree may also earn a second Associate's Degree aligned with DMA and Film, Television, and Media coursework. In 2025, 100% of graduates earned DMA industry certification.

MCHS is committed to ensuring all scholars graduate with substantial college credit and industry-recognized certifications, equipping them with adaptable skills applicable across academic majors and future careers. This pathway exemplifies the school's mission to prepare students for success in an evolving global economy.

Middle College High School has established itself as a statewide model for closing achievement gaps among historically underserved, underrepresented, and under-challenged populations. Educational leaders from across California regularly visit MCHS to study its equity-centered dual enrollment strategies and outcomes. MCHS leaders serve on state and national boards, provide dual enrollment coaching, and share best practices through workshops and presentations at state and national conferences.

Grounded in innovation, equity, and excellence, Middle College High School remains dedicated to empowering all Wolverines to achieve their highest potential while advancing dual enrollment success across California.

Middle College High School (MCHS), in partnership with San Bernardino City Unified School District and San Bernardino Valley College, is committed to preparing scholars for success in college, career, and life. Through intentional dual enrollment experiences, students develop the knowledge, skills, and confidence needed to navigate rigorous academic pathways and meaningful professional opportunities.

Central to MCHS's vision is the belief that every scholar will graduate prepared to succeed at a four-year college while being equipped for career excellence, leadership, and lifelong personal growth. This vision drives a culture of high expectations, resilience, and achievement, ensuring students are supported and challenged to reach their fullest potential.

The Schoolwide Learning Goals (SLGs) serve as the foundation for this work, guiding scholars' development across five essential areas: College Readiness, preparing students for postsecondary academic success; Industry Preparedness, building transferable skills for the modern workforce; Social-Emotional Lifelong Learning, fostering self-awareness, perseverance, and well-being; Ownership of Learning, promoting responsibility, agency, and self-directed growth; and Global Leadership, empowering students to lead with purpose and contribute positively in an interconnected world.

Together, MCHS's mission, vision, and SLGs reflect an unwavering commitment to equity, opportunity, and excellence—preparing scholars not only to succeed, but to thrive and make lasting impact beyond graduation.

About this School

2024-25 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	62
Grade 10	76
Grade 11	61
Grade 12	70
Total Enrollment	269

2024-25 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	52.4
Male	47.6
Asian	3.7
Black or African American	8.9
Hispanic or Latino	82.9
Native Hawaiian or Pacific Islander	0.4
Two or More Races	1.1
White	3
Foster Youth	0.7
Homeless	2.6
Socioeconomically Disadvantaged	91.1
Students with Disabilities	2.2

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	9.4	87.79	1973.3	82.38	234405.2	84
Intern Credential Holders Properly Assigned	0	0	24.8	1.04	4853	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0	0.65	113.7	4.75	12001.5	4.3
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.6	5.96	54.8	2.29	11953.1	4.28
Unknown/Incomplete/NA	0.5	5.5	228.7	9.55	15831.9	5.67
Total Teaching Positions	10.7	100	2395.5	100	279044.8	100

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	7.2	60.43	1971.2	83.53	231142.4	83.24
Intern Credential Holders Properly Assigned	0	0	53.5	2.27	5566.4	2
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0	0	144.4	6.12	14938.3	5.38
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.5	12.6	52.4	2.22	11746.9	4.23
Unknown/Incomplete/NA	3.2	26.96	138.1	5.86	14303.8	5.15
Total Teaching Positions	11.9	100	2359.9	100	277698	100

Note: The data in this table is based on FTE status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	10.6	79.04	1855.2	78.51	230039.4	100
Intern Credential Holders Properly Assigned	0	0	68.6	2.91	6213.8	2.23
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0	0	184.9	7.82	16855	6.04
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.8	6.22	65.9	2.79	12112.8	4.34
Unknown/Incomplete/NA	1.9	14.59	188.3	7.97	13705.8	4.91
Total Teaching Positions	13.5	100	2363	100	278927.1	100

Note: The data in this table is based on FTE status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2021-22	2022-23	2023-24
Permits and Waivers	0.00	0	0
Misassignments	0.00	0	0
Vacant Positions	0.00	0	0
Total Teachers Without Credentials and Misassignments	0.00	0	0

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2021-22	2022-23	2023-24
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0	0
Local Assignment Options	0.60	1.5	0.8
Total Out-of-Field Teachers	0.60	1.5	0.8

Class Assignments

Indicator	2021-22	2022-23	2023-24
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0	0

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

High school textbooks adopted by the San Bernardino City Unified School District Board of Education are standards-based and rigorously reviewed by San Bernardino City Unified School District textbook adoption committees to assure that selections will meet the unique needs of all learners, including English language learners, advanced learners, at-risk students and special needs students. Textbooks are usually adopted for an eight-year cycle.

Each school purchases textbooks for all students to use in class and to take home. Prior to the purchase of materials for the upcoming school year, an inventory is completed so that sufficient materials are available for the new school year. An inventory is completed for each classroom and reported to the principal. This inventory was completed in March/April each year to prepare for the following year.

Year and month in which the data were collected

June 2025

School Facility Conditions and Planned Improvements

General

The Middle College High School campus has 12 regular classrooms with strong technology features, a state-of-the-art science wing with three more classrooms, a library, a computer lab, an administration office, and a multi-purpose room, providing sufficient space for instruction and physical education. Students and staff have access to all SBVC services, including the library, theater, campus center, writing center, and tutoring center.

Safety

To ensure student safety before, during and after the school day, rec aides, teachers, and administrators supervise the school grounds including the cafeteria, quad area, and athletic fields. Signs are posted throughout the campus to indicate all visitors must report to and register in the administration office. All staff and visitors wear appropriate identifying badges.

School Facility Conditions and Planned Improvements

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. The District's Mobile Maintenance Teams are proactive and conduct inspections to keep school sites in "good repair" on a continual basis. Also, the district staff at each site reports safety issues as they arise. Maintenance and Operations make necessary repairs to ensure that all schools are clean, safe, and functional. A work order process is used to ensure efficient service and emergency repairs are given the highest priority and work orders are completed in a timely manner.

Cleaning Process and Schedule

The district's Maintenance and Operations department works with the site principal or designee to develop cleaning runs for the site custodian(s). The site principal/designee then works with the site custodian(s) to ensure proper implementation of the cleaning runs to maintain a safe and clean school.

School Facility Improvements

Each year the district uses state and local funds to maintain and improve school sites. Planned improvements for this school for the 2024-25 school year are listed below:

The following improvements are made district-wide where necessary:

Interior and exterior paint

Repair or Replace of HVAC systems

Repair or Replace of gymnasium flooring

Repair or Replace of floor tiles and carpeting

Upgrade classroom technology

Large projects and school modernization information can be found at <https://sbcusdfacilities.com/>

School Facility Good Repair Status

School Facility Good Repair Status (School Year 2024-25)

The district takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the district's Mobile Maintenance Teams use the Facility Inspection Tool (FIT), a survey instrument developed by the State of California Office of Public School Construction (OPSC). Results of this survey are available from the district's Maintenance and Operations Department.

The most recent facilities inspection took place October, 2024.

Results of this site's most recent survey are included below, and any associated repairs were completed by the end of March 2025.

Year and month of the most recent FIT report

10/30/2024

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			E-3 The emergency shower floor drain is covered. The north door wont shut.
Interior: Interior Surfaces	X			D-105 The east interior wall has been damaged. One lamp is out. D-101 Decorations have been hung from the ceiling. Many computers have been powered by daisy chained powerstrips and extension cords that are taped to the floor. (Its a computer lab.)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25
English Language Arts/Literacy (grades 3-8 and 11)	90	72	33	35	47	48
Mathematics (grades 3-8 and 11)	66	62	20	22	35	37

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	58	58	100.00	0.00	72.41

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	58	58	100.00	0.00	62.07
Female	30	30	100.00	0.00	50.00
Male	28	28	100.00	0.00	75.00
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	47	47	100.00	0.00	59.57
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	0	0	0	0	0
White	--	--	--	--	--
English Learners	0	0	0	0	0
Foster Youth	--	--	--	--	--
Homeless	--	--	--	--	--
Military	0	0	0	0	0
Socioeconomically Disadvantaged	52	52	100.00	0.00	59.62
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	--	--	--	--

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25
Science (grades 5, 8 and high school)	64.46	51.72	17.92	19.85	30.73	32.52

2024-25 CAASPP Test Results in Science by Student Group

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	128	128	100.00	0.00	54.69
Female	71	71	100.00	0.00	40.85
Male	57	57	100.00	0.00	71.93

2024-25 Career Technical Education Programs

Career Technical Education Programs (School Year 2025-2026)

As a contributing partner in the development of the region's workforce, the San Bernardino City Unified School District offers a wide variety of high quality CTE courses in 13 of the 15 industry sectors identified by the State of California. Each CTE course addresses the current job market and is part of a sequence of courses that form Programs of Study (Career Pathways) that link high school and post-secondary programs. All CTE courses in the district are A-G approved through the UC Doorways system and students have the opportunity to earn dual enrollment early college credits as well as articulated early college credits in many of the CTE courses throughout the district. The course curriculum is rigorous, relevant, and aligned to the California Department of Education Career Technical Education Model Curriculum Standards. In addition, all CTE courses include a work-based learning component offering the benefits of authentic application of knowledge and skills in a real-world setting.

MIDDLE COLLEGE HIGH SCHOOL
MCHS @ San Bernardino Valley College
Schoolwide Digital Media Arts Academy

Brad Gates, San Bernardino County Workforce Development
Gina King, San Bernardino County Human Resources
Virginia Martinez, CEO Technical Employment Training

2024-25 Career Technical Education Programs

Becky Lepins, Teamsters Local 1932
 Shelli Stockton, University of Redlands

Industries Represented:

Arts, Media, Entertainment
 Building and Construction Trades
 Business and Finance
 Education, Child Development, and Family Services
 Energy, Environment, and Utilities
 Engineering and Architecture
 Health Science and Medical Technologies
 Hospitality, Tourism, and Recreation
 Information and Communication Technologies
 Manufacturing and Product Development
 Marketing, Sales & Service
 Public Services
 Transportation

2024-25 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	204
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	24.6
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	100

2024-25 Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
Pupils Enrolled in Courses Required for UC/CSU Admission	100
Graduates Who Completed All Courses Required for UC/CSU Admission	100

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	100.0	100.0	100.0	100.0	100.0

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parent engagement and support at Middle College High School (MCHS) are intentionally cultivated through multiple, meaningful opportunities that promote shared decision-making and collaboration. These include Coffee with the Principal, School Site Council (SSC), and Local Control and Accountability Plan (LCAP) meetings. Grade-level parent meetings provide targeted guidance on supporting scholars within the dual enrollment model, while parent workshops, focus groups, team meetings, and volunteer opportunities further strengthen family-school partnerships.

In 2025, parents took a leadership role by establishing a Parent Teacher Organization (PTO) to collaboratively support student success and enhance campus activities. This parent-led initiative reflects MCHS's commitment to empowering families as active partners in the educational process and ensuring their voices are represented in schoolwide planning and decision-making.

To further formalize this partnership, MCHS introduced an Educational Partner's Commitment Statement in 2024, co-developed with parents. This statement reinforces the school's shared commitment to diversity, equity, and inclusion, and affirms the responsibility of all educational partners to provide accessible, high-quality learning experiences with tiered academic, social-emotional, and college-going supports for every scholar.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2022-23	School 2023-24	School 2024-25	District 2022-23	District 2023-24	District 2024-25	State 2022-23	State 2023-24	State 2024-25
Dropout Rate	0	0	0	9.9	9.7	7.5	8.2	8.9	8
Graduation Rate	100	100	100	82.1	83.2	84.8	86.2	86.4	87.5

2024-25 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2023-24 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	69	69	100.0
Female	40	40	100.0
Male	29	29	100.0

2025-26 School Safety Plan

Date of Last Review/Update: Oct. 23, 2025
 Date Last Reviewed with Faculty: Dec. 10, 2025

Every student and teacher has the right to attend a school free from physical and psychological harm. To help schools achieve these vital goals, the State of California has mandated that each K-12 school develop a comprehensive school safety plan. Reviewed annually, a school's safety plan is the result of a systematic planning process in cooperation with local public safety agencies, community leaders, parents, pupils, teachers, administrators, and other persons interested in the prevention of campus crime and violence. Each school's safety plan addresses the following key areas: preparedness, mitigation and prevention, response and recovery.

In close cooperation with the California Schools Risk Management (Joint-Powers Authority), local police and fire departments, the district's Office of Safety and Emergency Management conducts periodic safety inspections of district sites and provides correction reports to site administrators. A follow-up system is in place to ensure timely compliance and correction of discrepancies.

School sites also conduct scheduled drills for anticipated emergency situations (such as fires, earthquakes and lockdowns) to prepare students, staff, and other stakeholders how to appropriately respond to those emergencies. The district follows California's mandated Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) for emergency management. The Office of Safety and Emergency Management is also tasked with coordinating the response and recovery of emergencies or other disasters affecting the SBCUSD.

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	27	2	7	1
Mathematics	25	2	6	1
Science	23	5	4	1
Social Science	22	2	2	1

2023-24 Secondary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	29	1	6	2
Mathematics	25	4	4	2
Science	24	4	5	1
Social Science	23	2	2	1

2024-25 Secondary Average Class Size and Class Size Distribution

This table displays the 2024-25 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	27	2	5	3
Mathematics	21	5	5	1
Science	23	5	5	
Social Science	18	3	2	

2024-25 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	258

2024-25 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The “Other” category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2023-24 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2023-24 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13,643.08	\$4,600.34	\$9,042.74	\$105,789.21
District	N/A	N/A	\$8065.05	\$106,752
Percent Difference - School Site and District	N/A	N/A	18.6	-0.9
State	N/A	N/A	\$11,146	\$100,333
Percent Difference - School Site and State	N/A	N/A	-20.8	5.3

Fiscal Year 2024-25 Types of Services Funded

Types of Services Funded (Fiscal Year 2024-2025)

All categorically funded programs within the San Bernardino City Unified School District (SBCUSD) aim to ensure that every student achieves proficiency in state and local standards. This commitment extends to all student groups, including English Learners (ELs), Long-Term English Learners (LTELs), Socio-Economically Disadvantaged (Low-Income), African American, American Indian, Asian, Filipino, Hispanic, Pacific Islander, Homeless, Foster Youth, Students with Disabilities, Two or More Races, and White students.

To achieve this, each school site employs a continuous improvement process known as Plan, Do, Study, Act (PDSA). This framework actively engages key Educational Partners, including Principals, Teachers, support staff, parents, and students at the secondary level. Together, these Educational Partners form the School Site Council (SSC). The SSC is tasked with developing, annually reviewing, evaluating, and revising the School Plan for Student Achievement (SPSA). This comprehensive plan leverages self-study and collaborative efforts to ensure the alignment and effective use of all available resources, directing them toward delivering a high-quality educational program that supports student success. Recognizing that some students may face challenges meeting academic standards and graduation requirements, categorical program funds are allocated to provide targeted support. These funds serve as supplemental educational resources to enhance the core instructional program and address the unique needs of at-risk students.

Categorical funds are specifically designated for:

- additional personnel time
- professional development opportunities
- supplemental instructional materials
- specialized services
- equipment
- supplies

These funds are supplementary and must not replace or supplant the base program. Categorical Programs at SBCUSD sites implemented programs, including:

Every Student Succeeds Act (ESSA) Title I, Part A: Supporting the lowest-performing Socio-Economically Disadvantaged (Low Income) students to meet the challenge academic standards in Reading, Writing, Math, and Science. Local Control Funding Formula (LCFF): Supplemental and Concentration Funds to support high-needs for Unduplicated Pupils (English Learners, Long Term English Learners, Low-Income, and Foster Youth). District-Level Categorical Programs provide support services and instructional initiatives aimed at improving overall student outcomes.

ESSA Title II, Part A: Supporting effective instruction, professional development of teachers and administrators, and recruitment and retention efforts.

ESSA Title III: Language instruction for English Learners and immigrant students; ESSA Title IV, Part A: Promoting a safe, healthy learning environment, access to well-rounded education, and technology integration for personalized learning.

Fiscal Year 2024-25 Types of Services Funded

ESSA Title VI, Indian Education: Provides federal funding to support Native American students' educational needs and cultural heritage. It aims to improve academic achievement while fostering connections to Native cultures, languages, and traditions.

Carl D. Perkins Act: Provides funding for Career and Technical Education (CTE) programs that emphasize accountability, educational partner collaboration, and the targeting of underserved populations through enhanced local needs assessments.

Career Technical Education Incentive Grant (CTEIG): A California program to enhance K-12 CTE pathways, complementing Perkins by focusing on California workforce needs and fostering education-business collaboration.

SBCUSD and the State identify schools with the greatest needs using local and State data, including student progress indicators and the California Dashboard. These programs aim to provide additional resources, implement data-driven improvement plans to address significant equity gaps, and ensure student group performance improves over time. These initiatives include:

SBCUSD Focus Schools: a District-level program to support historically low-performing schools with additional support, oversight, and accountability.

Equity Multiplier: Aims to reduce educational inequities by providing extra funding to schools with high levels of need. Schools qualify based on Socio-Economically Disadvantaged rates of over 70% and student non-stability greater than 25%. Funding is directed toward evidence-based initiatives to address disparities without replacing existing resources.

Comprehensive Support and Improvement (CSI): a Federally-mandated support system under ESSA aimed at helping the lowest-performing schools in a state. Schools are typically identified for CSI if they are among the bottom 5% of schools based on performance metrics or have graduation rates below a certain threshold (e.g., less than 67%).

Targeted Support and Improvement (TSI): focuses on schools where specific student groups (e.g., based on race, income, disability, or English language proficiency) consistently underperform to reduce disparities.

Additional Targeted Support and Improvement (ATSI): ATSI is a subset of TSI. Schools are identified for ATSI when one or more student groups perform at a level comparable to the lowest-performing 5% statewide schools. ATSI designation often involves more intensive interventions than TSI.

These coordinated efforts aim to ensure equitable opportunities and sustained academic success for all SBCUSD students.

Fiscal Year 2023-24 Teacher and Administrative Salaries

This table displays the 2023-24 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/csl/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$66,593	\$60,863
Mid-Range Teacher Salary	\$100,142	\$93,575
Highest Teacher Salary	\$134,052	\$125,548
Average Principal Salary (Elementary)	\$154,138	\$157,645
Average Principal Salary (Middle)	\$158,814	\$165,341
Average Principal Salary (High)	\$184,897	\$182,580
Superintendent Salary	\$405,133	\$357,064
Percent of Budget for Teacher Salaries	25.09%	30.36%
Percent of Budget for Administrative Salaries	3.81%	4.88%

2024-25 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

The San Bernardino City Unified School District is committed to hiring the best staff available and to providing ongoing opportunities to support and increase professional practice for educators. Teacher Induction Program (TIP) mentors, Peer Assistance Review (PAR) consulting teachers, peer mentors, and content specialists work with teachers on a regular basis. Teachers, paraprofessionals, and administrators are all provided opportunities to participate in professional development (PD) programs. An analysis of site academic and behavioral data is used to provide focus to each site's Single Site Plan for Student Achievement and used to guide the creation of the site professional development plan. The site administrators and Professional Development Team (PDT) work together to establish the focus of site professional development that takes place during weekly early release Collaboration Days. Additionally, the district provided district wide staff development which included 3 days in 2019-20, 4 days in 2020-21, 3 days in 2021-22, 3 days in 2022-23, 3 days in 2023-24, 2 days in 2024-2025, 2 days in 2025-2026, as well 6 additional 90-minutes district professional development sessions during the year.

SBCUSD offers a variety of professional development opportunities to support the improvement of instructional practice. The goal of all professional development is to increase student proficiency in core subject areas. Targeted support is provided in the areas of culturally relevant instruction, strategies to assist English Learners, essential components of an ELD lesson, implementation of the Common Core State Standards, creating rigorous standards-aligned units of study, building a solid foundation in Algebra, GATE strategies, implementing Positive Behavior Supports, restorative practices, and integrating technology into daily instruction.

School sites support the focus of their identified instructional improvements with site-based professional development, and joblike learning communities work through issues using work-embedded time. District-wide banked-time (Collaboration Days) provides an opportunity for sites to develop their Professional Learning Communities and levels of collaboration focused on student achievement. New teachers and teacher interns participate in the Teacher Induction Program (TIP) which focuses on the California Standards for the Teaching Profession.

The San Bernardino City Unified School District uses individualized, job-embedded coaching focused on the CSTP (teachers) and CPSELs (administrators) and in-person workshops with on the job follow up feedback. Administrators, teachers and community members receive professional development through job-embedded time, after-school workshops, off-track/vacation training times, conference attendance, collaboration/ coordination with local university programs, online delivery of professional development content and individual mentoring. Opportunities are created for development in curriculum writing, assessment of standards and instructional best practices, including teaching to the appropriate depth of knowledge and disciplinary literacy. Additionally, Special Education offers a variety of PD opportunities to support the Individual Education Plans (IEPs) of identified students. Professional development is focused around current district, state, and national trends in the area of Special

Professional Development

Education. At present, available topics include successful implementation of strategies for students with Autism, curriculum for different disability groups, behavior management, data analysis, social skills, English Language Development (ELD), Behavior Professional Development Support Plans (BSPs), and legally defensible documents that best support students and meet state requirements. This year the emphasis of the districtwide PD was the continued integration of UDL and Teacher Clarify alongside the implementation of PLC teams. In addition, KAGEN cooperative learning strategies were brought to all teachers to help facilitate increased differentiation for our English Learner and Special Education student groups. Training was delivered on the use of a districtwide formative assessment and diagnostic software platform, which provides teachers with data to identify student learning needs and maximize instruction. Additionally, District administrators and educators are continuing to receive professional development and coaching around Professional Learning Communities and Universal Design for Learning (UDL).

SBCUSD offers a variety of professional development opportunities to support the improvement of instructional practice. The goal of all professional development is to increase student proficiency in core subject areas. Targeted support is provided in the areas of culturally relevant instruction, strategies to assist English Learners, essential components of an ELD lesson, implementation of the Common Core State Standards, creating rigorous standards-aligned units of study, building a solid foundation in Algebra, GATE strategies, implementing Positive Behavior Supports, restorative practices, and integrating technology into daily instruction.

School sites support the focus of their identified instructional improvements with site-based professional development, and job-like learning communities work through issues using work-embedded time. District-wide banked-time (Collaboration Days) provides an opportunity for sites to develop their Professional Learning Communities and levels of collaboration focused on student achievement. New teachers and teacher interns participate in the Teacher Induction Program (TIP) which focuses on the California Standards for the Teaching Profession.

The San Bernardino City Unified School District uses individualized, job-embedded coaching focused on the CSTP (teachers) and CPSELs (administrators) and in-person workshops with on the job follow up feedback. Administrators, teachers and community members receive professional development through job-embedded time, after-school workshops, off-track/vacation training times, conference attendance, collaboration/ coordination with local university programs, online delivery of professional development content and individual mentoring. Opportunities are created for development in curriculum writing, assessment of standards and instructional best practices, including teaching to the appropriate depth of knowledge and disciplinary literacy.

Additionally, Special Education offers a variety of PD opportunities to support the Individual Education Plans (IEPs) of identified students. Professional development is focused around current district, state, and national trends in the area of Special Education. At present, available topics include successful implementation of strategies for students with Autism, curriculum for different disability groups, behavior management, data analysis, social skills, English Language Development (ELD), Behavior Support Plans (BSPs), and legally defensible documents that best support students and meet state requirements.

This year the emphasis of the districtwide PD was the continued integration of UDL and Teacher Clarify alongside the implementation of PLC teams. In addition, KAGEN cooperative learning strategies was brought to all teachers to help facilitate increased differentiation for our English Learner and Special Education student groups. Training was delivered on the use of a districtwide formative assessment and diagnostic software platform, which provides teachers with data to identify student learning needs and maximize instruction. Additionally, District administrators and educators are receiving continuing PD around Professional Learning Communities and Universal Design for Learning (UDL).

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2023-24	2024-25	2025-26
Number of school days dedicated to Staff Development and Continuous Improvement	3	2	2
