Informe de Responsabilidad Escolar 2024-25

Informado con datos del año escolar 2024-25

Departamento de Educación de California

Dirección:	1700 28th Ave. Oakland, CA, 94621-2455	Directora:	Larissa Adam, Superintendente de Escuelas
Teléfono:	(510) 568-7936	Grados:	K-5

Para el 1 de febrero de cada año, la ley estatal exige que todas las escuelas de California publiquen un Informe de Responsabilidad Escolar (SARC). El SARC contiene información sobre la condición y el rendimiento de cada escuela pública de California. Según la Fórmula de Financiamiento de Control Local (LCFF), todas las agencias educativas locales (LEA) deben preparar un Plan de Control y Responsabilidad Local (LCAP), que describe cómo pretenden cumplir las metas anuales específicas de cada escuela para todos los alumnos, con actividades específicas para abordar las prioridades estatales y locales. Además, los datos reportados en un LCAP deben ser consistentes con los datos reportados en el SARC

- Para obtener más información sobre los requisitos del SARC y acceder a los informes de años anteriores, consulte la página web del SARC del Departamento de Educación de California (CDE) en <https://www.cde.ca.gov/ta/ac/sa/>.
- Para obtener más información sobre el LCFF o el LCAP, consulte la página web LCFF del CDE en <https://www.cde.ca.gov/fg/aa/lc/>.
- Para obtener información adicional sobre la escuela, los padres/tutores y miembros de la comunidad deben comunicarse con el director de la escuela o la oficina del distrito.

DataQuest

DataQuest es una herramienta de datos en línea ubicada en la página web DataQuest del CDE en <https://dq.cde.ca.gov/dataquest/> que contiene información adicional sobre esta escuela y comparaciones de la escuela con el distrito y el condado. Específicamente, DataQuest es un sistema dinámico que proporciona informes para la rendición de cuentas (por ejemplo, datos de pruebas, matrícula, graduados de la escuela secundaria, deserción escolar, matriculación en cursos, dotación de personal y datos sobre los estudiantes de inglés).

Panel de Control Escolar de California

El Panel de Control Escolar de California (Panel de Control) <https://www.caschooldashboard.org/> refleja el nuevo sistema de rendición de cuentas y mejora continua de California y proporciona información sobre cómo las autoridades educativas locales (LEA) y las escuelas están satisfaciendo las necesidades de la diversa población estudiantil de California. El Panel de Control contiene informes que muestran el desempeño de las LEA, las escuelas y los grupos de estudiantes en un conjunto de medidas estatales y locales para ayudar a identificar fortalezas, desafíos y áreas que necesitan mejorar

Acceso a Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

About Our School

Achieve Academy is a TK-5th grade school located in the heart of the Fruitvale. Our school is representative of both the diversity and hope of the Fruitvale community. At Achieve, we take the trust and hope our families instill in us very seriously. We are a school that is committed to ensuring that ALL children receive the support, encouragement, and instruction they need to achieve academic excellence and develop into young people who are proud of their heritage and accomplishments, and who are prepared to be positive change-makers in their community. Our teachers and staff take time to know all students as individuals, to create a school culture that is welcoming and safe, and to work tirelessly towards ensuring the academic success for all students. On any given day, a walk through our school would reveal classrooms where students are reading complex texts, tackling challenging math story problems, participating in small-group instruction tailored to their needs, developing critical-thinking skills, and deepening their learning through conversation. Achieve is unique because of the relationships that staff form with the students and their families, the personalized attention students receive, and our commitment to educating the whole-child.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2021–22)

School Facility Conditions and Planned Improvements

Achieve Academy is home to over 500 families, providing a safe and supportive environment for our students, staff, and parents. Achieve Academy completed a comprehensive renovation in the Fall of 2024, resulting in a bright, modern facility that includes new classrooms replacing portables, a new playground, and a new field for student activities.

According to the most recent Facility Inspections, the overall condition of our school facility is exemplary. Our custodial team takes pride in keeping our campus clean, while our facilities team ensures timely repairs to maintain the integrity of the building. Student safety remains our highest priority, and we continuously evaluate and address any areas to ensure a secure environment. We are committed to sustaining this beautiful and functional learning space to support the success and well-being of our students and families.

Monthly facilities walkthroughs are led by the Site Operations Manager in collaboration with the custodial team to ensure the campus consistently meets good standing standards for safety, cleanliness, and overall condition.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: July 2025

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2023– 24	School 2024– 25	District 2023– 24	District 2024– 25	State 2023– 24	State 2024– 25
English Language Arts / Literacy (grades 3-8 and 11)	24%	26%	35%	35%	47%	48%
Mathematics (grades 3-8 and 11)	31%	32%	26%	27%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2024–25)

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2025–26)

We believe that parents and family are truly their children's first teachers and are fundamental to the success of our school. Achieve is very fortunate to have a Family Resource Center on campus, through a partnership with the East Bay Agency for Children. Through the Family Resource Center, families can access a variety of resources to support their children's education including parent support groups, early child education, access to a food bank, help with finding legal counsel and much more. Families are also invited to participate in their child's education by attending monthly Community meetings, joining the Family Leadership Council, volunteering in classrooms or joining a family affinity group. To learn more about how to get involved at Achieve, please reach out to Family Resource Coordinator, or Principal, at (510) 904 6440.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2024–25)

School Safety Plan (School Year 2025–26)

Achieve Academy maintains a Comprehensive School Safety Plan that is reviewed, revised, and updated annually in accordance with California state requirements, including the March 1 adoption deadline. The Safety Plan is reviewed with all staff at the beginning of each school year during an August professional development session prior to the first day of instruction.

The most recent Comprehensive School Safety Plan for Achieve Academy was finalized on: February 5, 2025, and approved by our Board on February, 20, 2025.

The Safety Plan addresses school site safety programs, procedures for complying with applicable school safety laws, and disaster, emergency, and crisis response procedures. It includes protocols for routine safety practices such as student supervision, emergency drills, and basic first aid, as well as emergency response procedures for incidents including fire, earthquake, environmental hazards, armed intruder or attack scenarios, and serious illness or accidents.

In alignment with California Education Code requirements, the school conducts required safety drills—including fire, earthquake, and lockdown drills—on a monthly basis and/or as otherwise required throughout the school year to ensure students and staff are prepared to respond appropriately in the event of an emergency.

Types of Services Funded (Fiscal Year 2024–25)

Achieve Academy strives to allocate funding to priorities that are aligned with our vision and that have the greatest impact on our students' academic achievement. In addition to ensuring we are able to hire and retain experienced, high-quality teachers, Achieve also invests in reading intervention, New Comer education and services for students in special education so that all students receive the support they need to reach their full potential. We also offer a robust menu of enrichment programming including music, visual arts, applied science and dance. We believe that investing in the resources that provide a well-rounded education are critical to our student's academic achievement as well as their future success. Likewise, we believe that investing in teacher development is essential for student learning, therefore Achieve also funds coach and administrative positions that provide teachers with ongoing coaching and professional development.
