By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

### About Our School

---

Cox Academy is a charter school that is authorized by the Alameda County Office of Education. Located in East Oakland, Cox serves grades PreK-5 and provides rigorous instruction in the core content areas while fostering critical thinking, problem solving and application of learning to prepare students for success in higher education. Cox is committed to creating student leaders who are stewards of the greater community. Cox focuses on the whole child by providing a systemic wrap-around program focused with a comprehensive system of supports and interventions for children and families. Unlike many schools that solely focus on students' academic success in mathematics and language arts, Cox Academy's goal is to equip students with tools and strategies that ensure that students become 21st century thinkers and lifelong learners.

Students at Cox Academy benefit from a robust academic program that is enhanced by a strong specials program, in which students receive weekly hands on science, art, PE and leadership instruction. Complementing our focus on high academic standards is our belief that our students are and will be leaders in their schools, in their communities, and in the world. At Cox Academy, we also nurture the whole child – placing an emphasis on the socio-emotional development, in addition to the academic success – in doing so, we highlight community service, stewardship and social-emotional growth. We personalize instruction using technology and students access and apply learning using a number of different technologies. Cox does this work in close collaboration and partnership with parents and community partners. At Cox Academy, we prepare our students for success in school and success in life!

## School Description and Mission Statement (School Year 2025–26)

Mission Statement - Cox Academy: Empowering every student to go out and change the world! Cox Academy is a community based school, committed to serving all students. We meet the diverse needs of our students and community through family partnership, collaboration with school stakeholders, and the daily commitment of unconditional education for all. This means that we work with all students and families, with an equity focus and mindset, offering tiered interventions and supports with and a problem solving orientation. This looks like a long term commitment to ensuring that students get what they need to be successful in school and in life. Cox Academy is also very committed to offering the highest quality, well rounded education, as described in the Principal's message, focused on developing students as caring, thoughtful, citizens who possess critical thinking, self reliance and agency and to solve real world problems. As a school, we work tirelessly to support our students to grow and achieve, not just academically, so they have access to their future dreams, but also to empower them to become changemakers in the world.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## School Facility Conditions and Planned Improvements

Cox Academy serves almost 500 families in the Elmhurst neighborhood. Cox shares our campus with Reach Academy, a district school. Our teams work together to maintain the campus and keep it clean every day. Families at Cox are true community partners. We have parent volunteers who come to help our custodial team paint, clean and maintain the campus. Cox's bright entrance is striking to any visitor. We have pictures of our staff and children in the main hallway, and teachers share student work on the walls. We have walls that talk about the work that everyone is doing. At Cox, we make it a point to keep every area uncluttered.

Cox will be undergoing construction during school year 2025-2026. School will still be in session during this work.

In the most recent Williams Facility Inspection conducted on 07/18/2025, Cox Academy achieved an overall FIT rating of 100%, placing us in the Exemplary category. This rating reflects our ongoing dedication to maintaining a well-functioning and safe learning environment for all members of our school community.

Monthly facilities walkthroughs are led by the Site Operations Manager in collaboration with the custodial team to ensure the campus consistently meets good standing standards for safety, cleanliness, and overall condition.

## School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

Mathematics (grades 3-8 and 11)	29%	29%	42%	45%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

### Opportunities for Parental Involvement (School Year 2025–26)

Family and community involvement at Cox Academy is a very important aspect of our school community. We believe that we are a stronger school when we collaborate and work together in service of our students. There are many opportunities for families to get involved at Cox including participating in our monthly Family Leadership Council, which is the place for families to give input into our academic and community initiatives, participating in our monthly Black Family Council, monthly community events, or joining a family committee. There are also many opportunities to volunteer at Cox, including supporting classroom teachers, our morning traffic program, and in our cafeteria. This effort is led by our Family Coordinator who also works with classroom parent representatives, who support parent leadership initiatives at Cox. Please reach out to the Family Coordinator at 510-904-6300. Most importantly, we want our families to partner with our teachers and staff in support of stronger achievement outcomes for students. This happens through taking an active role in parent/teacher conferences, academic focused family workshops, and regular communication with Cox staff.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and

## School Safety Plan (School Year 2025–26)

Cox Academy maintains a Comprehensive School Safety Plan that is reviewed, revised, and updated annually in accordance with California state requirements, including the March 1 adoption deadline. The Safety Plan is reviewed with all staff at the beginning of each school year during an August professional development session prior to the first day of instruction.

The most recent Comprehensive School Safety Plan for Cox Academy was finalized on: February 5, 2025, and approved by our Board on February, 20, 2025.

The Safety Plan addresses school site safety programs, procedures for complying with applicable school safety laws, and disaster, emergency, and crisis response procedures. It includes protocols for routine safety practices such as student supervision, emergency drills, and basic first aid, as well as emergency response procedures for incidents including fire, earthquake, environmental hazards, armed intruder or attack scenarios, and serious illness or accidents.

In alignment with California Education Code requirements, the school conducts required safety drills—including fire, earthquake, and lockdown drills—on a monthly basis and/or as otherwise required throughout the school year to ensure students and staff are prepared to respond appropriately in the event of an emergency.

**Types of Services Funded (Fiscal Year 2024–25)**

Cox Academy prides itself on funding services that support the academic, emotional, and behavioral growth of our students. As a community based school, Cox also funds services that support our families and ultimately the community at large. Cox does this through allocating funds to support our multi-tiered systems of support, including many human resources to support our students and families, such as Dean of Students, a Family Coordinator, two onsite counselors, a team of student support assistants, a "tier 2" literacy interventionist, and two special education teachers. It is our theory of action that to support strong teaching and learning in the classroom and the emotional health and well being of our students, we need to have a committed, caring staff to meet the diverse needs of our community. Cox also allocates resources to support teacher professional development through funding three onsite instructional deans and three administrators.
