

# Meet the Principal

Hello Woodside Families,

My name is Madyson Souza and I'm very excited and honored to serve as the new principal of Woodside Elementary. I come to you with over a decade of experience in Elementary Education and school leadership. My background includes classroom teaching in Pleasanton, Dublin and San Ramon Valley Unified. For the past two years, I served as the Vice Principal at Cambridge Elementary School and am ready to take on the role of Principal here at Woodside. My passions include supporting academics through data and building a positive, inclusive school culture. Most importantly, I believe in the power of relationships, and I look forward to partnering with you to support every student, every day. I can't wait to meet you and begin this new chapter together!
