Primary Elective Choices (Choose 4 semesters)	Alternate Elective Choices (Choose 4 semesters)
Course Name - if yearlong, please write it twice	Course Name - if yearlong, please write it twice

Columbine HS Freshman Registration Card

Registration Process: 9th-grade students must enroll in a total of six classes per semester and a mandatory study hall. It is the student's responsibility to know and understand the prerequisites, fees, requirements, and content for each class, so **be sure to refer to the Course Registration Guide**. Students in multiple performing arts classes may opt out of study hall.

All plans are subject to the availability of classes and staffing. Classes that are one year in length require you to remain in class for the entire year. Student schedules are created based on student requests and course availability during the registration process in February. In order to best accommodate all students' class and credit needs, while balancing other aspects of our master schedule, optional **schedule change requests will no longer be available. Please choose your classes carefully now!**

Honor and AP Classes:

Students who register for Honors classes are agreeing to remain in the class for the entire year. Please fill out the Honor's and/or AP agreement in conjunction with registration.

Study Hall:

All freshmen are required to have a study hall or study skills, except those enrolled in multiple performing arts classes. Study hall and study skills classes will be assigned by the school. **Freshmen will NOT have an off block.** Students who finish their freshman year with less than a 2.0 gpa may be scheduled into a study hall/study skills their sophomore year.

Registration Process:

1. **Enter your class choices** onto the front of this card. Ensure that you have chosen enough primary and alternate elective choices. Choosing less than 4 choices for each will result in placement into unfilled electives.
2. Registration for current 8th graders is from Jan. 28 – Feb 6.
 - a. If you are a **KCMS** student, all materials are due back to your KCMS Math teacher by **Friday, Feb. 6th**.
 - b. If you are an **open enrolled** student accepted during the first round, all materials are due to Linda Green at Columbine HS, by **Friday, March 6th** or as soon as possible after enrollment. A delay in getting materials turned in will mean that some classes are full.

I **have reviewed the Course Registration Guide and the course policies for the classes I have selected. To the best of my knowledge, I have met all prerequisites and requirements for each class. When signing up for a yearlong class, including Honors, I agree to remain in that class for the full year.**
