EXPLANATION OF FEES

Application Fee

A non-refundable fee of \$800 for each application. The application fee is valid for a two-year period from the date of submission.

Re-Enrollment Fee (Returning Students)

A re-enrollment fee of \$2,000 is required by **March 16** to reserve a student's space in the upcoming school year. This amount is credited against tuition. From **March 17**, there will be an additional late fee of \$500. The re-enrollment fee payment is refundable until **March 30**. After this date, the re-enrollment fee is non-refundable and is subject to space availability. Re-enrollment of any student is subject to school approval.

Advance Deposit (New Students)

A non-refundable payment of \$2000 is due within 10 days of accepting an admissions offer. This advance deposit secures the place for the student and will be applied to the total school fees payable.

One-time Registration Fee (New Students)

The Registration Fee is a one-time capital levy required for each newly enrolled student. Pre-K3 students pay USD 10,000 in the first year, with the remaining balance of USD 6,500 due in the following year.

Tuition Fee

Tuition fees vary by grade level. See Fee Schedule for details.

Extended Service Program (ESP) *Fee is mandatory

Students placed in the Extended Services Program require a modified curriculum. To support their learning development, students require instruction to be delivered in a separate location with a low student-to-staff ratio. This plan will be developed by an integrated team including the School Administration, School Counselor, Special Education Teacher, Educational Psychologist, Occupational Therapist, and Speech & Language Pathologist. The Extended Services Program classroom is a purpose-built space that allows the students to focus on individualized academic instruction and develop functional independent life skills.

English as an Additional Language Fee (EAL)*Fee is mandatory

The EAL program supports language learners academically, emotionally, and socially, fostering lifelong learners who confidently communicate and collaborate in English. See Fee Schedule for details.

Absentee Acceptance

An absentee acceptance may be secured by a qualified applicant at the discretion of the Admissions Office. This paid option reserves an available seat in the current semester for one child who is not yet attending AES.

Payment of School Fees

For new students, fees are due within 30 days of invoicing or before the first date of joining, whichever is earlier. The School may require payment of all school fees at the time of admission (due to enrollment limits, wait pool, or other factors). For the second semester, fees are due by December 17.

For returning students, the re-enrollment fee is due by March 16, 2026, and all other school fees must be paid by May 29. Failure to pay all school fees by the May 29 deadline will result in a late payment fee and may also result in the student losing the space for the upcoming school year.
