Dear Parent/Carer,

Year 8 Theatre in Education Programme 'Safe and Sound' – Monday 2nd February 2026

I am delighted to invite Year 8 students to attend a 1-hour live performance and workshop event. This will be delivered by Loudmouth Education and Training. Loudmouth is a highly respected and innovative theatre in education company who has worked with us at Southam College over a number of years. The company has been delivering Personal, Social and Health Education (PSHE) since 1994. Loudmouth provides a range of programmes and formats that supports safeguarding and relationship education. Loudmouth's work aims to ensure a future where all children and young people are healthy, happy, safe, and resilient.

The theme of the production is recognising unhealthy relationships. This programme uses a drama and discussion workshop that follows a young couple as their relationship develops. Looking in on their relationship the pupils are shown the characteristics of both a healthy and unhealthy relationship exploring the concepts of respect, privacy and consent including learning about sexting and abusive and coercive behaviours within relationships.

Should your child not wish to take part in this event please email griffin.c@sco.svmat.uk

This event has been fully funded, so no contribution is required from parents.

We hope that this is both an enjoyable and educational event for students.

Yours sincerely,

Miss C Harwood
Deputy Headteacher
