Community Announcement From Moapa Valley High School

Moapa Valley High School would like to thank the community for the tremendous support during our athletic events. These events are a celebration of our community, and we look forward to everyone continuing to attend the games to support and celebrate our teams.

Moapa Valley High School wants to ensure a **safe and positive experience** for all spectators at our events. Therefore, we are instituting expectations for all children under high school age during all athletic events.

During all sporting events, the following expectations are in effect:

- An adult must accompany all elementary and middle school-age children. The children should be seated in the bleachers with the accompanying adult unless using the restroom or concessions.
- Loitering and congregating in non-seating areas is discouraged, and offenders will be asked to return to the bleachers.
- Students are expected to wait appropriately in the concession stand line. They are not permitted to cut in line or create disturbances through disruptive behavior.
- Any CCSD student suspended from school will not be permitted to attend any events, regardless of age.
- Once admitted into the event, spectators have limited reasons to leave and re-enter without permission.

Please note: Failure to follow these expectations may result in the removal of both the student and their accompanying adult from the stadium. Behavior resulting in removal from the stadium will result in the elementary or middle school student being banned from future events at Moapa Valley High School.

We look forward to continuing to celebrate our entire community at our athletic events and ensuring everyone has a safe and enjoyable environment by adhering to the abovementioned expectations.

Go Pirates!
