School News:

Dear CSMS Parents and Guardians:

As we continue to monitor the potential for wintry weather this weekend, please be advised that school closures may occur for several days next week.

In the event that schools are closed for the majority of the week, virtual learning days may be implemented on Thursday, January 29th, and possibly Friday, January 30th.

If virtual learning days are announced:

- ▶ Thursday, January 29th will be designated as a "B" Day
- ▶ Friday, January 30th will be designated as an "A" Day

Teachers will post assignments in Canvas and will label the assignments **Virtual Day 1** and **Virtual Day 2**. Students should only complete virtual assignments if and when Roanoke County officially announces a virtual learning day.

All assignments will be completed independently and at students' own pace.

Please note that regardless of the date students return to in-person instruction, since Friday, January 23rd was an "A" Day, the first day students return to CSMS will be a "B" Day.

We recognize that weather-related challenges and power outages, etc., may impact students' ability to complete assignments during virtual learning days. Students who encounter difficulties completing assignments will be provided additional time and flexibility to complete their work upon returning to school.

Thank you for your continued support, flexibility, and partnership.

Sincerely,
CSMS Administration
