

# Turner College and Career High School

## Menu of Classes for DHS and PHS Students -- Courses at Turner

DHS and PHS students are permitted to attend classes for most of the day at their home campus and also take 1 or 2 classes at Turner. Students must choose one of the following two options:

**A) One double blocked course (meets daily) OR B) Two single blocked courses (Meet every other day)**

To further understand the “cross entity” scheduling option, please see the Turner Shuttle Bus Schedule on the THS website. Even if a student will not use the shuttle bus, this schedule illustrates options for a student’s individualized bell schedule.

**Menu of Double Blocked Classes – Classes that take up two class periods**

DHS and PHS students may choose one double blocked class. Please see your counselor for scheduling assistance.
