Dear High School Professional,

The doGOODthings, Inc. Scholarship Committee is pleased to announce the 2026 Student Athlete Book Scholarship Program for high school seniors. This letter is being sent to request your assistance in soliciting applications from students who would qualify for and benefit from the 2026 scholarship awards.

The doGOODthings, Inc Foundation was established in 2020 by Niko Goodrum, a former Clayton and Fayette County student athlete and MLB athlete. Niko is motivated to make a positive impact in communities and share his gifts. The Student Athlete Book Scholarship Program was created to reward student athletes for balancing academics and athletics by helping them with the costs of textbooks and educational study materials.

Awards are open to Clayton, Coweta, Fayette, Fulton, and Henry County high school senior student athletes who are planning to attend a 2-year or 4-year college or university, or a technical/vocational institution. The scholarship requires a 3.0 GPA and an essay explaining the student's educational goals and how they plan to make the world a better place.

Scholarships are awarded according to merit on a competitive basis. Every complete application received by the required deadline will be given a fair and careful evaluation. Awards are given without regard to race, color, creed, religion, sex, disability, or national origin.

Please assist the Foundation and community by providing the attached scholarship information and application form to senior student athletes who fit the stated criteria. The scholarship information should also be included in any appropriate school publications, directories, or displays. Thank you in advance for helping us doGOODthings.

Respectfully,

doGOODthings, Inc. Scholarship Committee
