

Dupree School District	NEPN Code: BDA
Policy Manual	

Electronic Communication by Board Members

An exchange of information by audio, video, or electronic medium, including the internet, by a quorum of the school board and when official business of the school district is discussed or decided, or public policy is formulated, is subject to school district policies BD and open meetings laws.

1. Board members shall not use electronic communication as a substitute for discussion or decision-making at regular or special board meetings open to the public.
2. School board members shall not use electronic communication to discuss or reach a consensus, majority opinion or unofficial decision, related to school district business.
