[New Law](#)

SB19 – Effective Jan. 1, 2026

- What is illegal? Making a threat to kill or seriously hurt someone at a school, university, daycare, workplace, medical facility, or house of worship.
- Does “online” count? Yes. This includes social media posts, images, or texts, as well as things said in person.
- The “Just Kidding” Rule: It is still a crime even if you don’t actually plan to carry it out. If the threat is specific enough to make people feel reasonably and continuously afraid for their safety, it is against the law.
- Consequences for Students: Possible MISDEMEANOR charge on your record. School consequences could range and include a possible suspension and possible recommendation for expulsion.
- Interventions for Students: May include a referral to counseling or wellness, and a referral to the Behavior Threat Assessment process.
