# Choice Board #3

1st Grade

- Students should choose at least **<u>one</u>** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have a caregiver/parent sign the bottom of the form.

| Math | Reading | Writing | Science / Social | Specials |
|---|---|---|---|---|
| Gather 10 objects from around your house. Put them in order from smallest to biggest, and then from lightest to heaviest. | Pretend you are the teacher. Read a story to your class using voices for the characters. | Hide 5 objects around your house. Write or draw clues for someone to find the objects. | Choose 5 objects from your house and predict if they will sink or float in water. With help from an adult, test your predictions. | **PE**<br>If there is snow, build a snowman or fort.<br> |
| Make a pattern using two shapes and two colors. Then, make a pattern using three shapes and three colors. (ex: of two colors/two shapes: red square & blue circle..pattern could be 🟥 🟥 🔵 🟥 🟥 🔵 🟥 🟥 🔵) | Read for 15 minutes with sunglasses on. 😎 | Draw a picture of your favorite treat and write 1 sentence about it. Don't forget the capital letters and punctuation! | Draw a picture of yourself. Write three words or sentences to tell why you are special. | **Art**<br>Use a stick (or something similar) and draw a picture in the snow. |
| Toss a soft object (towel, balloon, socks, etc.) as far as you can. Count how many steps it takes to get to your object. Repeat 10 times. | Listen to an older sibling or adult read a story to you. | Help an adult at home write the grocery list. | Citizenship - help out around the house by:<br><br>Doing dishes<br>Picking up your toys<br>Entertaining a younger sibling | **Music**<br>Dance to your favorite song. |
| Write your numbers from 1-120. Remember to use your best handwriting! | Build a fort and read stories inside for 15 minutes using a flashlight. | Read these three heart words: where, walk, play. Use each of these heart words in a sentence. Draw a picture to match your sentence. | If the air temperature is in the single digits, blow bubbles outside . Predict what you think will happen first. Then head outside to test your prediction. | **Media**<br>If you have a phone or camera, with your caregiver take 3 pictures and then explain which picture is your favorite. |
